# RECEIVER WAY POLISHER Safety Instruction Guide

## Introduction

Thank you for purchasing the RECEIVER WAY POLISHER. This tool is designed to help you polish the rails that the bolt lugs ride on, providing great control and fast cutting. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure the work area is clean and welllit to prevent accidents.
- Keep the tool out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety goggles and gloves.
- Regularly inspect the RECEIVER WAY POLISHER for signs of wear or damage before use.
- Do not use the tool for purposes other than those specified in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the abrasive paper is securely wrapped around the end of the polisher before use to prevent it from coming loose during operation.
- Tighten the set screw firmly to avoid any movement of the abrasive paper while polishing.
- Use the tool at a comfortable height to minimize strain on your body.
- Avoid excessive force while using the polisher; let the tool do the work.
- Do not operate the polisher near flammable materials or in explosive atmospheres.
- Keep hands and other body parts away from moving parts while in operation.
- If you experience any discomfort or unusual noise while using the tool, stop immediately and inspect it.

## Instructions for Installation and Usage

### 1. Preparation

- Gather the necessary materials: RECEIVER WAY POLISHER, abrasive paper, and a clean workspace.
- Ensure you are wearing appropriate PPE.

### 2. Wrapping the Abrasive Paper

- Take a piece of abrasive paper and wrap it around the end of the polisher.
- Ensure that the paper is wrapped tightly and evenly.

### 3. Securing the Abrasive Paper

- Locate the set screw on the polisher.
- Tighten the set screw to secure the abrasive paper in place.

### 4. Using the Polisher

- Position the polisher at the start of the rail you wish to polish.
- Apply light pressure and slide the polisher along the ways (rails).
- Maintain a steady pace to ensure an even polish.
- Periodically check the abrasive paper for wear and replace as necessary.

## 5. PostUse Care

- After use, remove the abrasive paper and clean the polisher with a soft cloth.
- Store the RECEIVER WAY POLISHER in a dry place, away from moisture and direct sunlight.

## Disposal Instructions

- Dispose of used abrasive paper in accordance with local regulations.
- The RECEIVER WAY POLISHER is made of blued steel and can be recycled. Check with your local recycling center for proper disposal methods.
- Do not dispose of the polisher in household waste.

## Contact Information for Further Support

For any safety inquiries or support related to the RECEIVER WAY POLISHER, please contact your local distributor or refer to the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and effective experience with your RECEIVER WAY POLISHER. Always prioritize safety and proper usage to maximize the benefits of your tool.
