

# WOOD STIPPLING PUNCHES - BROWNELLS 20 LPI STIPPLING PUNCH

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Wood Stippling Tools](#)

## Fast Alternate To Checkering

Create a no-slip gripping surface on a stock, forend or handgun grip in far less time than it takes to lay out and checker an area. Sharply pointed cutting diamonds in 12, 16 or 20 lines per inch let you choose from coarse, medium or fine patterns.

## Safety Instruction Guide

### Introduction

Thank you for choosing the Wood Stippling Punches Brownells 20 LPI Stippling Punch. This tool is designed to help you create a noslip gripping surface on various wooden surfaces, such as stocks, forends, or handgun grips. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean, welllit, and free from distractions.
- Use personal protective equipment (PPE) such as safety goggles, gloves, and a dust mask if necessary.
- Keep the tool out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

### Specific Safety Precautions for Use

- Ensure the tool is in good condition before each use. Inspect for any signs of damage or wear.
- Use the stippling punch only for its intended purpose. Do not use it for any other applications.
- Maintain a firm grip on the tool while in use to prevent slipping.
- Avoid applying excessive force; let the tool do the work.
- Do not use the stippling punch on surfaces that are not suitable for stippling.
- Always direct the cutting edge away from your body and hands.
- Store the tool in a safe place when not in use, preferably in a protective case.

### Instructions for Installation and Usage

#### 1. Preparation:

- Select the area you wish to stipple on the wood surface.
- Clean the surface to remove any dust or debris.

#### 2. Using the Stippling Punch:

- Hold the stippling punch firmly by the handle.
- Position the punch at the desired angle on the wood surface.
- Apply light pressure and tap the punch with a hammer or mallet to create the stippling pattern.
- Repeat the process to achieve the desired texture, varying the pressure and angle as needed.

#### 3. PostUse Care:

- After use, clean the tool to remove any wood residue.
- Store the stippling punch in a dry place to prevent rust or damage.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the stippling punch is damaged beyond use, ensure it is disposed of in a way that prevents injury to others.

## **Contact Information for Further Support**

For any inquiries regarding the safety or use of this product, please refer to the manufacturer's contact information or visit the EU Safety Gate platform for updates on product safety.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
