S&W SCREWDRIVER BROWNELLS MAGNATIP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the S&W Screwdriver Brownells MagnaTip. This product is designed for safe and effective use with Smith & Wesson firearms. Please read this safety instruction guide carefully to ensure that you use the product correctly and safely.

General Safety Guidelines

- Always ensure you are using the screwdriver in a welllit area.
- Keep the screwdriver and bits out of reach of children and vulnerable individuals.
- Inspect the screwdriver and bits for damage before use. Do not use if any parts are damaged.
- Always wear appropriate safety gear, such as safety glasses, when using the screwdriver.
- Follow all local laws and regulations concerning the use of tools and firearms.

Specific Safety Precautions for Use

- Ensure the screwdriver is compatible with the specific screws you are working on.
- Avoid using excessive force when tightening or loosening screws to prevent stripping.
- Do not use the screwdriver for any purpose other than its intended use.
- Keep hands and other body parts away from moving parts while using the screwdriver.
- Store the screwdriver and bits in a safe place after use to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the firearm is unloaded and safe before beginning any work.

2. Using the Screwdriver:

- Select the appropriate bit for the screw you will be working on.
- Attach the bit securely to the screwdriver handle.
- Position the screwdriver tip into the screw head and apply gentle pressure.
- Turn the screwdriver clockwise to tighten or counterclockwise to loosen the screw.
- If resistance is encountered, stop and assess the situation to avoid damage.

3. PostUse:

- After finishing your work, remove the bit from the screwdriver.
- Clean the screwdriver and bits to remove any debris or residue.
- Store the screwdriver and bits in a safe, dry place.

Disposal Instructions

- Dispose of the screwdriver and bits in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it is damaged or broken.
- Consider recycling the screwdriver and bits if possible.
