# PISTOL CLEANING ROD 9" SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Pistol Cleaning Rod 9" from Brownells. This product is designed to help you maintain your firearm by effectively cleaning the bore and muzzle without damaging the delicate rifling. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling and use of firearms before using this cleaning rod.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Always inspect the cleaning rod for any damage before use. Do not use if damaged.
- Use the cleaning rod only for its intended purpose, which is to clean pistol bores.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before beginning the cleaning process.
- Use the cleaning rod in a well-ventilated area to avoid inhaling any cleaning solvents or residues.
- Wear protective eyewear when using brushes or jags to prevent any debris from entering your eyes.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the cleaning rod.
- Do not leave the cleaning rod unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including brushes, jags, and cleaning solvents.

### 2. Attaching Accessories:

- The rod end features standard 832 female threads.
- Screw the desired accessory (brush, jag, or brass patch loop) securely onto the rod.

### 3. Cleaning Process:

- Insert the cleaning rod into the bore of the firearm gently.
- Move the rod back and forth to remove fouling, ensuring not to force it.
- Use a cleaning solvent as needed to assist in the cleaning process.
- After cleaning, remove the rod and accessory from the bore.

### 4. Post-Cleaning:

- Inspect the cleaning rod for any signs of wear or damage.
- Clean the rod with a suitable solvent and store it in a safe, dry place.

## Disposal Instructions

- Dispose of any used cleaning materials, such as patches or brushes, according to local waste disposal regulations.
- The cleaning rod is made of brass and can typically be recycled. Check with your local recycling facility for specific guidelines.

## Contact Information for Further Support

For any inquiries regarding the safety or use of the Pistol Cleaning Rod 9", please refer to the product packaging for the appropriate contact information.

**Note:** Always stay informed about product recalls and safety updates by checking the EU's Safety Gate platform. Report any unsafe products or accidents to the relevant authorities.

Thank you for prioritizing safety while maintaining your firearm. Enjoy using your Pistol Cleaning Rod 9"!
