# Safety Instruction Guide for AR .308 Short Muzzle Brake

## Introduction

Thank you for choosing the AR .308 Short Muzzle Brake. This product is designed to enhance the performance of your firearm while ensuring safe usage. Please read this safety instruction guide carefully to understand how to use the muzzle brake safely and effectively.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the muzzle brake is compatible with your firearm model before installation.
- Do not exceed the recommended caliber specifications. The AR .308 Short Muzzle Brake is designed for .30 caliber (.308) ammunition only.
- Always inspect the muzzle brake for damage before each use. Do not use if damaged.
- Keep the muzzle brake and all firearms out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the muzzle brake.
- Use appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use bullets larger in diameter than .30/7.62 in SMB 7.62 unless the exit port is opened.
- Avoid using the muzzle brake in adverse weather conditions that may affect shooting safety.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Instructions for Installation and Usage

### Installation

- Ensure the firearm is unloaded.
- Use a wrench to tighten the muzzle brake onto the barrel using the 5/8x24 threads.
- Ensure that the muzzle brake is securely fastened and aligned properly.
- Check the wrench flats on each side to ensure proper installation.

### Usage

- After installation, perform a function check to ensure the muzzle brake is working correctly.
- Fire the firearm in a safe area, ensuring that the muzzle brake is functioning as intended.
- Monitor for any unusual sounds or behaviors during use, which may indicate a problem.

## Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- Do not dispose of the muzzle brake in regular household waste.
- If the muzzle brake is damaged or no longer usable, consider recycling options where available.

## Contact Information for Further Support

For any questions or concerns regarding the AR .308 Short Muzzle Brake, please refer to the manufacturer's

contact information provided with your product packaging or visit their website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
