

# MAGNA-TIP 22 BIT STARTER SCREWDRIVER SET - MAGNA-TIP SUPER STARTER 22 BIT SET WITH HOLLOW HANDLE BLUE

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Magna-Tip Sets](#)

Every gunsmith knows no two screw slots are ever exactly the same. Because so many factories use outside vendors for screws, slot sizes can vary, even within the same model of gun. If you want to be professional about your work, you custom grind each bit to the correct size, a frustrating and time-consuming task without a Super Set. Magna-Tip Bits feature TRUE hollow-ground bits which transmit all the energy of torque evenly and smoothly, up the shank of the bit. Not only does hollow grinding permit this power transfer, it also gives complete metal-to-metal contact between the tip of the bit and the entire screw slot. Thus, maximum power can be exerted. The 22 Bit Starter Super Set eases you into the powerful Super-Set concept with the 22 straight bits: #120-3, #120-5, #150-4, #150-6, #180-3, #180-5, #210-4, #210-6, #240-3, #240-5, #240-7, #270-4, #270-6, #300-3, #300-5, #300-7, #340-4, #340-6, #340-8, #360-3, #360-5, #360-7. Your choice of one handle, and the heavy duty box, and tray. When you're ready to expand your set, the Super Set Add-On Pak lets you upgrade it to the same configuration as the 44-bit Super Set.

## Attributes

- Name: [MAGNA-TIP SUPER STARTER 22 BIT SET WITH HOLLOW HANDLE BLUE](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080107084

## Safety Instruction Guide

### Introduction

Thank you for choosing the MAGNATIP 22 BIT STARTER SCREWDRIVER SET. This product is designed to provide you with a versatile tool for various applications, especially in gunsmithing. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Always read the instructions before using the product.
- Ensure that the screwdriver bits are compatible with the screws you are working with.
- Inspect the tool before each use for any signs of damage or wear.
- Use the tool only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Store the tool in a dry place to prevent rust and damage.
- Dispose of any damaged bits or handles properly.

### Specific Safety Precautions for Use

- **Avoid Excessive Force:** Do not use excessive force when driving screws, as this can lead to bit breakage or slipping, which may cause injury.
- **Use Appropriate Bit:** Always select the correct bit size and type for the screw you are working with to prevent stripping the screw or damaging the bit.
- **Maintain Grip:** Ensure a firm grip on the screwdriver handle while in use to maintain control and prevent accidents.
- **Wear Safety Gear:** Consider wearing safety glasses to protect your eyes from debris or accidental slips.
- **Work in a Safe Environment:** Ensure your workspace is welllit and free of hazards that could cause accidents.

### Instructions for Installation and Usage

#### 1. Selecting the Bit:

- Choose the appropriate bit from the 22bit selection based on the screw type and size.
- Ensure the bit is securely attached to the handle.

#### 2. Using the Screwdriver:

- Position the bit into the screw slot, ensuring it fits snugly.
- Apply steady pressure while turning the handle clockwise to drive the screw in.
- To remove a screw, turn the handle counterclockwise.

#### 3. Storing the Tool:

- After use, clean the bits and handle to remove any debris or moisture.
- Place the bits back into the heavyduty box or tray provided to keep them organized and protected.

### Disposal Instructions

- Dispose of any damaged or worn bits in accordance with local regulations.
- For the handle and packaging, check with local waste management for proper recycling or disposal

methods.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the MAGNATIP 22 BIT STARTER SCREWDRIVER SET, please reach out to your local distributor or refer to the product packaging for contact details.

By following these safety instructions, you can ensure a safer and more effective experience with your MAGNATIP 22 BIT STARTER SCREWDRIVER SET. Always prioritize safety and proper tool usage to achieve the best results.
