BROWNELLS MAGNA-TIP® SUPER SET ADD-ON PAK The Brownells Magna-Tip® Super Set Add-On Pak is designed to expand your existing Magna-Tip® 22-Bit Starter Super Set into a comprehensive 44-bit collection, enhancing your gunsmithing capabilities. Key Features: Comprehensive Bit Expansion: This add-on pack includes 22 additional hardened steel, hollow-ground Magna-Tip® bits, allowing for a wider range of applications in firearm maintenance and assembly. Precision Engineering: Each bit is precisely crafted to ensure an exact fit in screw slots, minimizing the risk of damage and providing secure engagement during use. Durable Construction: Made from high-quality steel, these bits are built to withstand rigorous use, ensuring long-lasting performance for both professional gunsmiths and firearm enthusiasts. Specifications: Bit Sizes Included: 120-4 120-6 150-3 150-5 180-4 180-6 210-3 210-5 210-7 240-4 240-6 270-3 270-5 270-7 300-4 300-6 340-3 340-5 340-7 360-4 360-6 360-8 Customer Insights: Our customers appreciate the Brownells Magna-Tip® Super Set Add-On Pak for its ability to enhance their existing toolsets, providing the additional bits needed for more specialized or less common firearm maintenance tasks. The precision and durability of the bits ensure reliable performance, making this add-on pack a valuable investment for those looking to expand their gunsmithing capabilities. Incorporating the Brownells Magna-Tip® Super Set Add-On Pak into your toolkit ensures you have the specialized tools necessary to perform a wider range of firearm maintenance tasks with precision and confidence. Its thoughtful design and robust construction make it an essential addition for achieving professional results in gunsmithing.

MAGNATIP SUPER SET ADDON PAK Safety Instructions

Introduction

Thank you for choosing the Brownells MagnaTip® Super Set AddOn Pak. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully to maximize your safety and the performance of the tool.

General Safety Guidelines

- Always use the MagnaTip® bits as intended and according to the manufacturer's instructions.
- Keep the tool and bits out of reach of children and vulnerable individuals.
- Inspect the bits for damage or wear before each use. Do not use damaged bits.
- Store the bits in a safe, dry place to prevent corrosion and damage.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the tool.
- Follow local regulations for the disposal of worn or damaged bits.

Specific Safety Precautions for Use

- Ensure that the tool is compatible with the MagnaTip® bits included in this set.
- Do not apply excessive force when using the bits; let the tool do the work.
- Avoid using the bits on materials for which they are not designed.
- Do not use the bits if you are unsure of their compatibility with your specific firearm or application.
- Keep your hands and body clear of moving parts during operation to avoid injury.
- If you experience any discomfort or unusual sensations while using the tool, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Installation of Bits:

- Ensure that the tool is turned off and unplugged (if applicable) before installing a bit.
- Select the desired MagnaTip® bit from the set.
- Insert the bit securely into the tool's chuck or holder until it is firmly in place.
- Doublecheck that the bit is properly secured before use.

2. Using the MagnaTip® Bits:

- Align the bit with the screw slot or fastener.
- Apply gentle pressure and begin to turn the tool in the appropriate direction (clockwise for tightening, counterclockwise for loosening).
- Maintain a steady grip on the tool and avoid sudden movements.
- If resistance is encountered, stop and assess the situation before proceeding.

3. PostUse Care:

- After use, remove the bit from the tool and clean it if necessary.
- Store the bits in the provided case or a safe location to prevent damage.
- Regularly check the bits for wear and replace any that show signs of damage.

Disposal Instructions

- Dispose of worn or damaged bits in accordance with local waste management regulations.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Brownells MagnaTip® Super Set AddOn Pak!
