BROWNELLS MAGNA-TIP® SUPER SET STORAGE CASE The Brownells Magna-Tip® Super Set Storage Case is meticulously designed to provide gunsmiths and firearm enthusiasts with a durable and organized solution for storing Magna-Tip® bits and handles. Constructed from unbreakable polyethylene, this field case ensures the protection and longevity of your tools. Key Features: Robust Construction: The case is made from unbreakable polyethylene, offering exceptional durability and protection for your tools. Lift-Out Tray: An indestructible ABS plastic lift-out tray provides organized storage, allowing easy access to bits, driver handles, screws, or small firearm parts during maintenance tasks. Compact Design: With dimensions of 8¾" x 4¼" x 2", the case is compact yet spacious enough to accommodate your essential Magna-Tip® components, making it ideal for both field use and bench storage. Specifications: Material: Unbreakable polyethylene case with an indestructible ABS plastic lift-out tray. Dimensions: 8¾" (22.2 cm) length x 4¼" (10.8 cm) width x 2" (5.1 cm) height. Storage Capacity: Designed to hold driver handles, multiple bits, and small firearm components securely. Customer Insights: Our customers highly value the Brownells Magna-Tip® Super Set Storage Case for its sturdy construction and practical design. The unbreakable materials ensure that tools remain protected during transport and storage, while the lift-out tray allows for efficient organization and quick access to necessary components. The compact size is particularly appreciated for its convenience in both field and workshop settings. Incorporating the Brownells Magna-Tip® Super Set Storage Case into your gunsmithing toolkit ensures that your Magna-Tip® bits and handles are securely stored and readily accessible, enhancing your efficiency and organization during firearm maintenance tasks.

Safety Instruction Guide for Brownells MagnaTip® Super Set Storage Case

Introduction

Thank you for choosing the Brownells MagnaTip® Super Set Storage Case. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the storage case to maximize safety and performance.

General Safety Guidelines

- Ensure that the storage case is used for its intended purpose only, which is to store MagnaTip® bits and handles.
- Regularly inspect the storage case for any signs of damage. Do not use if damaged.
- Keep the storage case out of reach of children to prevent accidental injury.
- Avoid exposing the storage case to extreme temperatures or direct sunlight for extended periods.
- Ensure that the storage case is stored in a dry environment to prevent deterioration of materials.

Specific Safety Precautions for Use

- When lifting or carrying the storage case, ensure it is not overloaded with tools or components to prevent strain or injury.
- Use only MagnaTip® bits and handles designed for use with this storage case to ensure compatibility and safety.
- Do not attempt to modify or alter the storage case, as this may compromise its integrity and safety features.
- If the liftout tray becomes difficult to remove, do not force it. Check for any obstructions or damage.
- Ensure that all components stored in the case are securely placed to prevent movement during transport.

Instructions for Installation and Usage

1. Unpacking the Storage Case

- Carefully remove the storage case from its packaging.
- Inspect the case for any visible damage or missing parts.

2. Organizing Tools

- Place MagnaTip® bits and handles into the designated compartments of the liftout tray.
- Ensure that all items are securely stored and organized for easy access.

3. Using the LiftOut Tray

- To access tools, gently lift the tray from the storage case.
- Avoid lifting the tray by its edges to prevent breakage.

4. Transporting the Storage Case

- When transporting, ensure the lid is securely closed to prevent tools from falling out.
- Carry the storage case by its handles, ensuring it is balanced to avoid dropping.

5. Storing the Storage Case

- Store the case in a cool, dry place away from direct sunlight.

- Ensure that the case is placed on a stable surface to prevent tipping.

Disposal Instructions

- When the storage case has reached the end of its life, dispose of it in accordance with local regulations.
- The case is made from recyclable materials; consider recycling it to reduce environmental impact.
- Remove any nonrecyclable components before disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the Brownells MagnaTip® Super Set Storage Case, please refer to the manufacturer's website or customer service for assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Brownells MagnaTip® Super Set Storage Case. Thank you for your attention to safety, and enjoy your organized and protected tools.
