## Introduction

Thank you for choosing the MAGNATIP® ThinBit Box'n Tray Combo. This guide provides important safety instructions to ensure the safe use of the product. Please read this document thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- In case of any doubts regarding the safety of the product, seek guidance before use.

## Specific Safety Precautions for Use

- Do not overload the storage box beyond its capacity of 18 bits.
- Avoid exposing the product to extreme temperatures or moisture, as this may damage the hardwood material.
- Handle the product with care to prevent injury from sharp edges or corners.
- Use only compatible bits with the MAGNATIP® ThinBit to ensure safety and functionality.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the product from its packaging. Dispose of packaging materials responsibly.
2. **Placement:** Place the storage box on a stable surface to prevent tipping.
3. **Loading Bits:**
  - Open the fliptop lid of the storage box.
  - Insert the bits into the designated slots, ensuring they are seated securely.
  - Close the lid after loading to protect the bits from dust and damage.
4. **Usage:** When retrieving bits, open the lid and take the desired bit carefully to avoid dropping or damaging it.

## Disposal Instructions

- When the product reaches the end of its life, dispose of it according to local regulations for wooden products.
- Do not burn the product, as it may release harmful substances.
