BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. **Key Features:** **Hardened Steel Construction:** Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. **Hollow-Ground Design:** Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. **Versatile Compatibility:** Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. **Specifications:** **Bit Sizes:** Available in various sizes to accommodate a wide range of screw slot dimensions. **Material:** Hardened steel with a hollow-ground tip. **Customer Insights:** Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

MAGNATIP SUPER SET BITS Safety Instruction Guide

Introduction

Thank you for choosing the MAGNATIP SUPER SET BITS by BROWNELLS. This guide provides essential safety information and instructions for the safe use of this product. Please read this guide thoroughly before using the product to ensure safe and effective operation.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to remove slotted grip screws.
- Always inspect the bits before use for any signs of damage or wear. Do not use damaged bits.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the product in a welllit area to avoid accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect against flying debris.
- If you experience any discomfort or unusual sensations while using the product, stop using it immediately and consult a professional.

Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when using the bits to avoid stripping screws or damaging the bits.
- Ensure that the screwdriver is securely attached to the bit before use.
- Avoid using excessive force when removing screws to prevent injury or damage to the workpiece.
- Store the bits in a dry place to prevent rust and deterioration.
- Do not use the bits in wet or damp conditions to avoid electrical hazards and ensure a secure grip.
- If the product is used in a professional setting, ensure that all users are trained and aware of safety protocols.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure your workspace is organized and free of clutter.
- Inspect the MAGNATIP SUPER SET BITS for any visible damage.

2. Installation:

- Insert the desired bit into the MagnaTip screwdriver.
- Ensure the bit is firmly seated in the screwdriver by twisting it slightly until it locks into place.

3. Usage:

- Position the screwdriver with the bit aligned with the screw head.
- Apply gentle pressure and turn the screwdriver clockwise to tighten or counterclockwise to loosen the screw.
- If the screw does not turn, do not force it. Instead, check for any obstructions or damage to the screw.

4. Postusage:

- After completing the task, remove the bit from the screwdriver.
- Clean the bits and screwdriver to remove any debris or residue.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal disposal.
- Do not dispose of the bits in household waste. Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the manufacturer or your local distributor. Ensure to have the product details ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with the MAGNATIP SUPER SET BITS. Thank you for your attention to safety, and enjoy using your product responsibly.
