BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. **Key Features:** **Hardened Steel Construction:** Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. **Hollow-Ground Design:** Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. **Versatile Compatibility:** Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. **Specifications:** **Bit Sizes:** Available in various sizes to accommodate a wide range of screw slot dimensions. **Material:** Hardened steel with a hollow-ground tip. **Customer Insights:** Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

MAGNATIP SUPER SET BITS Safety Instruction Guide

Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. Designed for gunsmiths and firearm enthusiasts, these bits provide precision and reliability. This safety instruction guide is intended to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the bits are compatible with your tools and intended applications.
- Inspect the bits for any signs of damage or wear before each use.
- Store the bits in a dry, safe place away from children and pets.
- Use the bits only for their intended purpose to avoid accidents and injuries.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed.

Specific Safety Precautions for Use

- **Use Proper Tools:** Ensure that you are using the MagnaTip handles designed for these bits to prevent slippage and damage.
- **Avoid Excessive Force:** Do not apply excessive force when using the bits, as this may cause the bits to break or damage the screws.
- **Wear Safety Gear:** Always wear safety glasses to protect your eyes from debris when using power tools.
- **Keep Work Area Clean:** Maintain a clean and organized workspace to prevent accidents.
- **Handle with Care:** Be cautious when handling sharp tools to avoid cuts or injuries.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the bits.

Instructions for Installation and Usage

1. Select the Appropriate Bit:

- Choose the correct size and type of bit for the screw you are working with.

2. Attach the Bit to the Handle:

- Insert the bit into the MagnaTip handle, ensuring it is securely fastened.

3. Position the Tool:

- Align the bit with the screw slot and apply gentle pressure.

4. Turn the Handle:

- Rotate the handle clockwise to tighten or counterclockwise to loosen the screw. Use steady, controlled movements.

5. Check for Fit:

- If the bit does not fit securely, stop and select a different size to prevent damage to the screw.

6. Remove the Bit:

- After use, carefully remove the bit from the handle and clean it if necessary.

Disposal Instructions

- Dispose of any damaged bits according to local regulations.
- Do not throw bits in regular household waste. Check for recycling options in your area.
- Ensure that all tools are out of reach of children and pets during disposal.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your purchase.

By following these safety instructions, you can ensure a safe and effective experience with your Brownells MagnaTip Super Set Bits. Thank you for your attention to safety and for choosing our products.
