BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. **Key Features:** **Hardened Steel Construction:** Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. **Hollow-Ground Design:** Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. **Versatile Compatibility:** Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. **Specifications:** **Bit Sizes:** Available in various sizes to accommodate a wide range of screw slot dimensions. **Material:** Hardened steel with a hollow-ground tip. **Customer Insights:** Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

Safety Instruction Guide for MAGNATIP SUPER SET BITS

Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These tools are designed for gunsmiths and firearm enthusiasts who prioritize precision and reliability. This safety instruction guide provides essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the bits in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Inspect the bits for any signs of damage or wear before each use. Do not use damaged bits.
- Keep the bits out of reach of children and vulnerable individuals to prevent accidental injury.
- Ensure that you are using the correct bit size for the screw to avoid slippage and potential damage.
- Store the bits in a safe, dry place when not in use to maintain their condition and prevent accidents.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses to protect your eyes from debris.
- Use the bits only with compatible Brownells MagnaTip handles to ensure safe operation and maximum torque application.
- Avoid excessive force when using the bits, as this can lead to breakage or slipping.
- Do not attempt to modify or alter the bits in any way, as this could compromise their safety and effectiveness.
- If you experience resistance when loosening screws, stop and assess the situation to avoid damaging the bit or screw.

Instructions for Installation and Usage

1. Selecting the Right Bit:

- Choose the appropriate MagnaTip Super Set Bit based on the size and type of screw you are working with.

2. Attaching the Bit:

- Insert the selected bit into the Brownells MagnaTip handle until it clicks into place securely.

3. Using the Bit:

- Position the bit firmly in the screw slot and apply even pressure.
- Turn the handle clockwise to tighten or counterclockwise to loosen the screw.
- If the screw is seized, apply penetrating oil and allow it to sit before attempting to loosen it again.

4. PostUse Care:

- After use, clean the bits to remove any debris or residue.
- Store the bits in their designated case or holder to prevent damage and ensure longevity.

Disposal Instructions

- Dispose of any damaged or worn bits in accordance with local regulations for metal waste.
- Do not throw bits in regular household waste; instead, recycle them if possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the use of the Brownells MagnaTip Super Set Bits, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Brownells MagnaTip Super Set Bits. Always prioritize safety and maintenance to achieve the best results in your firearmrelated tasks.
