BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

## Attributes

- Name: [MAGNA-TIP SUPER SET BIT #150-5, SD=.150, BT=.040](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080150540
- Mfr. No.: 1505
- Bit Number: 150-5
- Blade Diameter: .150
- Blade Thickness: .040
- Handle: No Handle
- Model Number: BT=.040,#150-5,SD=.150
- Style: Thin Bit
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 050806011052

# Safety Instruction Guide for MAGNATIP SUPER SET BITS

## Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These tools are designed for precision and reliability in gunsmithing and firearm maintenance. This safety instruction guide provides essential information to ensure the safe use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the tools out of reach of children and vulnerable individuals.
- Regularly inspect the bits for any signs of wear or damage before use.
- Use the bits in a welllit and organized workspace to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using tools.
- If you notice any unusual behavior or performance of the bits, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Hardened Steel Construction:** While the bits are designed for durability, avoid using excessive force that may lead to breakage.
- **HollowGround Design:** Ensure that the bits fit securely in the screw slots to prevent slipping, which can cause injury or damage.
- **Compatibility:** Use only with Brownells MagnaTip handles to ensure optimal performance and safety.
- **Torque Application:** Apply torque gradually and avoid sudden movements to reduce the risk of accidents.
- **Storage:** Store the bits in a dry place, away from moisture and extreme temperatures, to maintain their integrity.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure that the workspace is clean and organized.

### 2. Selecting the Right Bit:

- Choose the appropriate bit size for the screw you will be working with.
- Refer to the specifications to confirm compatibility with your MagnaTip handle.

### 3. Attaching the Bit:

- Insert the chosen bit into the MagnaTip handle securely.
- Ensure it is locked in place before use.

### 4. Using the Bit:

- Align the bit with the screw slot carefully.
- Turn the handle clockwise to tighten or counterclockwise to loosen the screw.
- Apply even pressure and avoid excessive force.

## 5. **PostUse Care:**

- Clean the bits after use to remove any debris or residue.
- Inspect for any signs of wear or damage before storing.

## **Disposal Instructions**

- Dispose of any damaged or worn bits in accordance with local regulations.
- Ensure that bits are not left in areas where they may pose a risk to others.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Brownells MagnaTip Super Set Bits, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of the Brownells MagnaTip Super Set Bits. Always prioritize safety and proper handling to achieve the best results in your firearms maintenance.
