**BROWNELLS MAGNA-TIP SUPER SET BITS** The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

## Attributes

- Name: [MAGNA-TIP SUPER SET BIT #150-6, SD=.150, BT=.045](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080150645
- Mfr. No.: 1506
- Bit Number: 150-6
- Blade Diameter: .150
- Blade Thickness: .045
- Handle: No Handle
- Model Number: #150-6, SD=.150, BT=.045
- Style: Thin Bit
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 050806011069

# MAGNATIP SUPER SET BITS Safety Instruction Guide

## Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These precision tools are designed for gunsmiths and firearm enthusiasts. This safety instruction guide provides essential information to ensure the safe and effective use of these bits, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the bits are used only for their intended purpose as specified in the product description.
- Always inspect the bits for damage or wear before use. Do not use damaged bits.
- Keep the bits out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when using the bits.
- Follow all local laws and regulations regarding the use and maintenance of firearms.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the tool is securely attached to the handle before use.
- Do not apply excessive force when loosening or tightening screws to avoid stripping or damaging the screw.
- Use the correct size bit for the screw to prevent slippage and potential injury.
- Avoid using the bits in environments with moisture or excessive dust to maintain their integrity.
- Store the bits in a dry, cool place to prevent rust and damage.

## Instructions for Installation and Usage

### 1. Selecting the Right Bit:

- Choose the appropriate MagnaTip bit size that matches the screw you are working with.
- Ensure the bit is compatible with Brownells MagnaTip handles.

### 2. Attaching the Bit:

- Insert the bit into the handle securely.
- Ensure it is locked in place before proceeding.

### 3. Using the Bit:

- Position the bit into the screw slot.
- Apply even pressure while turning the handle to either tighten or loosen the screw.
- If the screw is seized, use a penetrating oil to assist in loosening it without damaging the screw.

### 4. Removing the Bit:

- After use, carefully remove the bit from the handle.
- Clean the bit to remove any debris or residue.

## Disposal Instructions

- Dispose of any damaged or worn bits in accordance with local waste disposal regulations.

- Do not dispose of bits in regular household waste; check for recycling options or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the appropriate EU contact point or customer service resources provided by the manufacturer.

By following these guidelines, you can ensure safe and effective use of the Brownells MagnaTip Super Set Bits, enhancing your firearm maintenance experience. Thank you for prioritizing safety in your tools and practices.
