Safety Instruction Guide for REMINGTON 1100/1187 GAS ORINGS

Introduction

Thank you for choosing the REMINGTON 1100/1187 Gas ORings. This product is designed to enhance the performance of your shotgun by providing a reliable seal. Please read this safety instruction guide carefully to ensure safe and effective use of the ORings.

General Safety Guidelines

- Ensure the product is suitable for your shotgun model before use.
- Regularly inspect ORings for wear and tear. Replace if damaged.
- Always follow the manufacturer's instructions for installation and usage.
- Keep ORings out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the ORings with compatible models: Remington 1100/1187 and other shotguns that utilize an ORing barrel seal.
- Do not use ORings that show signs of deterioration, such as cracks or brittleness.
- Avoid using the product in extreme temperatures or conditions outside the recommended usage environment.
- Ensure all firearms are unloaded before performing any maintenance or installation of ORings.
- Handle all components with care to avoid injury.

Instructions for Installation and Usage

1. Preparation

- Ensure your shotgun is completely unloaded and safe to work on.
- Gather all necessary tools for installation.

2. Installation Steps

- Remove the existing ORing from the barrel if applicable.
- Clean the barrel area where the ORing will be installed to remove any debris or residue.
- Take a new ORing from the pack and inspect it for any defects.
- Carefully place the new ORing onto the barrel, ensuring it fits snugly in the designated groove.
- Make sure the ORing is seated evenly and securely.

3. Usage Tips

- After installation, test the firearm to ensure proper sealing and function.
- Regularly check the ORing during routine maintenance to ensure it remains in good condition.
- If you notice any performance issues, remove the ORing and inspect it for damage.

Disposal Instructions

- Dispose of damaged or worn ORings in accordance with local waste disposal regulations.
- Do not dispose of ORings in the environment. Ensure they are disposed of in a manner that prevents

harm to wildlife and ecosystems.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided on the packaging or user manual.
