BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

MAGNATIP SUPER SET BITS Safety Instructions

Introduction

Thank you for choosing the MAGNATIP SUPER SET BITS by BROWNELLS. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the MAGNATIP SUPER SET BITS.

General Safety Guidelines

- Ensure that the MAGNATIP SUPER SET BITS are used only for their intended purpose.
- Always inspect the bits for damage before use. Do not use damaged bits.
- Keep the bits out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety goggles and gloves when using the bits.
- Follow all local regulations regarding the use and disposal of tools and accessories.

Specific Safety Precautions for Use

- Avoid using the bits with excessive force. This can cause damage to the bits and the screws.
- Ensure that the screwdriver is compatible with the MAGNATIP SUPER SET BITS before use.
- Do not use the bits in wet or damp conditions to prevent slipping and accidents.
- Always maintain a firm grip on the screwdriver when using the bits.
- If you experience any difficulty while using the bits, stop immediately and assess the situation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure your work area is clean and welllit.
- Select the appropriate MAGNATIP SUPER SET BIT for your task (Bit Number: 1806, Blade Diameter: .180, Blade Thickness: .045).

2. Installation:

- Insert the selected MAGNATIP SUPER SET BIT into the MagnaTip screwdriver.
- Ensure that the bit is securely locked in place before use.

3. Usage:

- Align the bit with the slotted grip screw you intend to remove.
- Apply gentle pressure while turning the screwdriver to avoid stripping the screw.
- If the screw does not turn, do not force it. Instead, consider using a penetrating oil or a screw extractor.

4. PostUse Care:

- After use, clean the bits to remove any debris or residue.
- Store the bits in a dry place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or unusable bits in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MAGNATIP SUPER SET BITS, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safer and more effective experience with the MAGNATIP SUPER SET BITS. Stay informed about product recalls and safety updates through official channels to maintain your safety and that of others. Thank you for your attention to these important safety guidelines.
