BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. **Key Features:** **Hardened Steel Construction:** Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. **Hollow-Ground Design:** Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. **Versatile Compatibility:** Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. **Specifications:** **Bit Sizes:** Available in various sizes to accommodate a wide range of screw slot dimensions. **Material:** Hardened steel with a hollow-ground tip. **Customer Insights:** Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

Safety Instruction Guide for MAGNATIP SUPER SET BITS

Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These precision tools are designed for gunsmiths and firearm enthusiasts, ensuring reliability and safety during firearm maintenance. This guide provides important safety instructions and guidelines to help you use the product effectively and safely.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean, welllit, and free of distractions.
- Keep the MagnaTip Super Set Bits out of reach of children and unauthorized users.
- Inspect the bits before each use for any signs of wear or damage. Do not use damaged bits.
- Use the bits only for their intended purpose, specifically for slotted screws in firearms.
- Avoid using excessive force when loosening screws to prevent damage to the bits or screws.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the bits.

Specific Safety Precautions for Use

- **Hardened Steel Construction:** Although the bits are made from durable materials, they can still break under excessive force. Use moderate pressure when applying torque.
- **HollowGround Design:** Ensure that the bit fits securely in the screw slot to prevent slippage and potential injury.
- **Compatibility:** Use only with Brownells MagnaTip handles to ensure optimal performance and safety.
- **Avoid Contact with Hazardous Materials:** Keep the bits away from chemicals or substances that may corrode or damage the steel.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure your work area is organized.
- Select the appropriate MagnaTip Super Set Bit for the screw you are working on.

2. Installation:

- Insert the selected bit into the Brownells MagnaTip handle securely.
- Ensure that the bit is fully seated in the handle before use.

3. Usage:

- Position the bit in the screw slot and apply even pressure.
- Turn the handle clockwise to tighten or counterclockwise to loosen the screw.
- If resistance is met, stop and assess the situation. Do not force the bit.

4. PostUse Care:

- Clean the bits after use to remove any debris or residue.
- Store the bits in a safe place, preferably in a designated tool organizer.

Disposal Instructions

- Dispose of damaged or worn bits in accordance with local regulations for metal waste.
- Do not dispose of bits in regular household waste. Check with local recycling centers for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of the Brownells MagnaTip Super Set Bits, please refer to the contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and effective experience while using the Brownells MagnaTip Super Set Bits. Always prioritize safety and proper usage to maintain the integrity of your tools and your firearms.
