BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. **Key Features:** **Hardened Steel Construction:** Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. **Hollow-Ground Design:** Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. **Versatile Compatibility:** Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. **Specifications:** **Bit Sizes:** Available in various sizes to accommodate a wide range of screw slot dimensions. **Material:** Hardened steel with a hollow-ground tip. **Customer Insights:** Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

Safety Instruction Guide for MAGNATIP SUPER SET BITS

Introduction

Thank you for choosing the MAGNATIP SUPER SET BITS by Brownells. These precision tools are designed for gunsmiths and firearm enthusiasts who require reliability and accuracy. This safety instruction guide provides essential information to ensure safe usage and maintenance of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all tools are used in accordance with their intended purpose.
- Keep tools out of reach of children and vulnerable individuals.
- Regularly inspect tools for signs of wear or damage. Do not use damaged tools.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using tools.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hardened Steel Construction:** While the bits are durable, they can still break if subjected to excessive force. Use appropriate torque.
- **HollowGround Design:** This design ensures a secure fit in slotted screws. Avoid using on screws that are not compatible to prevent damage.
- **Compatibility:** Only use with Brownells MagnaTip handles to ensure optimal performance and safety.
- **Work Environment:** Always work in a welllit area to avoid accidents and ensure precision.
- **Avoid Slippage:** Ensure that the bit is fully seated in the screw slot to prevent slippage, which can lead to injury.

Instructions for Installation and Usage

1. Selecting the Right Bit:

- Choose a bit size that matches the screw slot dimension. Refer to the specifications for available sizes.

2. Attaching the Bit:

- Insert the selected MagnaTip bit into the Brownells MagnaTip handle.
- Ensure that the bit is securely locked in place before use.

3. Using the Bit:

- Align the bit with the screw slot.
- Apply consistent pressure while turning the handle. Avoid excessive force to prevent bit breakage.
- If a screw is seized, apply penetrating oil and allow it to sit before attempting to loosen.

4. PostUse Care:

- Clean the bits after use to remove any debris or moisture.
- Store the bits in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn bits in accordance with local regulations.
- Do not throw bits in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the MAGNATIP SUPER SET BITS, please refer to the product packaging for the appropriate contact information or visit the official Brownells website for more resources.

By following these safety instructions, you can ensure a safe and effective experience with the MAGNATIP SUPER SET BITS. Thank you for prioritizing safety in your firearm maintenance practices.
