BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

# MAGNATIP SUPER SET BITS Safety Instruction Guide

## Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These precision tools are designed for gunsmiths and firearm enthusiasts who require highquality and reliable equipment. This guide provides essential safety instructions to ensure the safe use of these bits while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MagnaTip Super Set Bits by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any product recalls that may occur. If a recall is issued, follow the instructions provided to return or exchange the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken when these tools are used around children or vulnerable individuals. Keep tools out of reach when not in use.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay updated on any alerts regarding unsafe products via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety glasses and gloves, when using the bits to protect against potential injuries.
- **Tool Inspection:** Before use, inspect the bits for any signs of damage or wear. Do not use damaged tools as they may pose a safety risk.
- **Proper Handling:** Handle the bits carefully to avoid dropping them. Dropped tools may become damaged or may cause injury.
- **Secure Work Area:** Ensure your work area is clean and welllit to minimize the risk of accidents.
- **Avoid OverTorqueing:** Do not apply excessive force when using the bits, as this may lead to stripping screws or damaging the bits.
- **Use Compatible Tools:** Only use the MagnaTip Super Set Bits with Brownells MagnaTip handles to ensure optimal performance and safety.

## Instructions for Installation and Usage

1. **Select the Appropriate Bit:** Choose the correct bit size that fits the screw you are working with.
2. **Attach the Bit:** Insert the selected bit into the Brownells MagnaTip handle until it clicks into place securely.
3. **Position the Screw:** Align the bit with the screw slot, ensuring it fits snugly.
4. **Apply Torque:** Turn the handle slowly and steadily to apply torque. If the screw is seized, gently wiggle the bit to loosen it without applying excessive force.
5. **Remove the Screw:** Once loose, continue to turn the screw until it is completely removed.
6. **Store Properly:** After use, clean the bits and store them in a safe, dry place to prevent damage and maintain their quality.

## Disposal Instructions

- **Responsible Disposal:** When the bits are no longer usable, dispose of them in accordance with local regulations regarding metal waste.
- **Recycling:** Consider recycling the bits if possible, as they are made from hardened steel.

## Contact Information for Further Support

For any questions or concerns regarding the use of the Brownells MagnaTip Super Set Bits, please contact the designated EU contact point associated with this product.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Brownells MagnaTip Super Set Bits. Thank you for your attention to safety and for choosing our products.
