**BROWNELLS MAGNA-TIP SUPER SET BITS** The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

## Attributes

# MAGNATIP SUPER SET BITS Safety Instruction Guide

## Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These tools are designed for gunsmiths and firearm enthusiasts who require precision and reliability. This safety instruction guide is intended to provide you with essential safety information to ensure the safe use and maintenance of these bits in accordance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the bits for their intended purpose to avoid accidents and injuries.
- Inspect the bits for any signs of damage or wear before use. Do not use damaged bits.
- Store the bits in a dry, safe place, away from children and unauthorized users.
- Ensure that you are using the correct bit size for the screws you are working with to prevent stripping or damaging the screw.
- Keep your workspace clean and organized to minimize the risk of accidents.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Use the bits with compatible Brownells MagnaTip handles to ensure proper fit and torque application.
- Do not apply excessive force when loosening or tightening screws to avoid stripping or damaging the screw or bit.
- If a screw is seized, use penetrating oil and allow it to sit before attempting to loosen it with the bit.
- Avoid using bits in power tools unless they are specifically rated for such use.

## Instructions for Installation and Usage

1. **Select the Correct Bit:** Choose the appropriate MagnaTip bit size for the screw you are working with.
2. **Attach the Bit:** Insert the selected bit into the MagnaTip handle until it is securely in place.
3. **Apply Torque:** Position the bit in the screw slot and apply gentle pressure while turning the handle. Increase pressure gradually if needed but avoid excessive force.
4. **Loosening Seized Screws:** If a screw is difficult to turn, apply a penetrating oil and let it sit for a few minutes before attempting to loosen it again.
5. **Cleaning:** After use, clean the bits with a dry cloth to remove any debris or residue. Store them in a safe location.

## Disposal Instructions

- Dispose of damaged or worn bits in accordance with local regulations for metal waste.
- Do not dispose of bits in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective experience while using the Brownells MagnaTip Super Set Bits. Always prioritize safety and proper usage to maintain the integrity of your tools and

the effectiveness of your firearm maintenance tasks.
