**BROWNELLS MAGNA-TIP SUPER SET BITS** The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

# Safety Instruction Guide for MAGNATIP SUPER SET BITS

## Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These precision tools are designed for gunsmiths and firearm enthusiasts. To ensure safe and effective use, please read this safety instruction guide carefully. It provides important information on product safety, usage precautions, and disposal.

## General Safety Guidelines

- Follow all safety instructions provided in this guide to minimize risks associated with tool use.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using tools.
- Keep tools out of reach of children and vulnerable individuals.
- Regularly inspect the bits for wear and damage before use. Do not use damaged tools.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hardened Steel Construction:** Handle with care to avoid injury. The bits are sharp and can cause cuts.
- **HollowGround Design:** Ensure a secure fit in slotted screws to prevent slipping, which can lead to hand injuries.
- **Compatibility:** Use only with Brownells MagnaTip handles to ensure safe functionality.
- **Torque Application:** Apply torque gradually and avoid excessive force to prevent stripping screws or damaging the bits.
- **Seized Screws:** When loosening seized screws, apply penetrating oil if necessary and allow it to soak before attempting removal.

## Instructions for Installation and Usage

### 1. Selecting the Right Bit:

- Choose the appropriate bit size for the screw slot. Refer to the specifications provided with the bits.

### 2. Attaching the Bit:

- Insert the selected bit into the Brownells MagnaTip handle until it clicks securely into place.

### 3. Using the Bit:

- Position the bit directly over the screw head.
- Apply downward pressure while turning the handle clockwise to tighten or counterclockwise to loosen.
- If the screw is difficult to turn, avoid excessive force. Instead, consider using a penetrating oil.

### 4. After Use:

- Clean the bits with a dry cloth to remove any debris or oil.
- Store the bits in a safe, dry place to prevent rust and damage.

## **Disposal Instructions**

- Dispose of any damaged or worn bits responsibly. Check local regulations for proper disposal methods.
- Do not throw bits in regular waste if they are sharp or hazardous. Use designated disposal bins if available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided with your product packaging or visit the official website of Brownells.

Thank you for prioritizing safety while using the MAGNATIP SUPER SET BITS. Your adherence to these guidelines ensures a safer experience for yourself and others.
