BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

## Attributes

- Name: [MAGNA-TIP SUPER SET BIT #270-5, SD=.270, BT=.040](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080270540
- Mfr. No.: 2705
- Bit Number: 270-5
- Blade Diameter: .270
- Blade Thickness: .040
- Handle: No Handle
- Model Number: BT=.040,SD=.270,#270-5
- Style: Thin Bit
- Delivery weight: 0.009kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 050806011519

# Safety Instruction Guide for MAGNATIP SUPER SET BITS

## Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These precision tools are designed for gunsmiths and firearm enthusiasts who value reliability and performance. This safety instruction guide provides important information to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure the safe use of the MAGNATIP SUPER SET BITS, please follow these guidelines:

- Always read and understand the instructions before using the product.
- Inspect the bits for any damage before use. Do not use damaged bits.
- Keep the bits out of reach of children and vulnerable individuals.
- Use the bits only for their intended purpose.
- Ensure proper lighting and a stable work environment when using the bits.
- Store the bits in a safe, dry place when not in use.

## Specific Safety Precautions for Use

To minimize risks while using the MAGNATIP SUPER SET BITS, observe the following precautions:

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, to protect against flying debris.
- Do not apply excessive force when using the bits to avoid damage to the screws or bits.
- Ensure that the bit is securely attached to the handle before use.
- Avoid using the bits on screws that are rusted or corroded, as this may cause breakage or injury.
- Do not modify the bits or use them in ways not specified by the manufacturer.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the MAGNATIP SUPER SET BITS:

### 1. Select the Appropriate Bit:

- Choose the correct size and type of bit for the screw you will be working with.

### 2. Attach the Bit to the Handle:

- Insert the bit into the Brownells MagnaTip handle until it clicks into place, ensuring a secure fit.

### 3. Position the Bit:

- Align the bit with the screw slot, ensuring it is straight and centered.

### 4. Apply Torque:

- Turn the handle slowly and steadily to apply torque. Do not force the bit if resistance is encountered.

### 5. Remove the Bit:

- After use, carefully detach the bit from the handle by pulling it out gently.

## **Disposal Instructions**

When disposing of the MAGNATIP SUPER SET BITS, please follow these guidelines:

- Dispose of bits in accordance with local regulations for metal waste.
- Do not dispose of bits in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the MAGNATIP SUPER SET BITS, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the Brownells MagnaTip Super Set Bits. Always prioritize safety and proper handling to maintain the quality and longevity of your tools. Thank you for your attention to these important guidelines.
