**BROWNELLS MAGNA-TIP SUPER SET BITS** The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

# Safety Instruction Guide for MAGNATIP SUPER SET BITS

## Introduction

Thank you for choosing the MAGNATIP SUPER SET BITS by BROWNELLS. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before using the bits.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the bits for damage before use. Do not use damaged bits.
- Keep the bits out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bits.
- Follow all local regulations regarding the use and disposal of tools.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Sharp edges: The bits have sharp edges that can cause cuts or injuries.
- Improper use: Using the bits for tasks they are not designed for may lead to accidents.

### • Avoiding Hazards:

- Always use the bits with a compatible MagnaTip screwdriver.
- Do not apply excessive force when using the bits to prevent breakage.
- Ensure that the workpiece is stable and secure before beginning any work.

### • Age Warning:

- This product is not suitable for children. Adult supervision is required when used near minors.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully select the appropriate bit based on the specifications provided (e.g., Bit Number: 3006, Blade Diameter: .300, Blade Thickness: .050).
- Insert the bit into the MagnaTip screwdriver until it is securely locked in place.

### 2. Usage:

- Position the screwdriver with the bit aligned with the slotted grip screw.
- Turn the screwdriver gently to remove or tighten the screw, ensuring that the bit remains engaged.
- If resistance is felt, do not force the screwdriver. Instead, check for any obstructions or misalignment.

### 3. PostUse:

- After use, clean the bits and store them in a dry place to prevent rust and damage.

- Regularly check the bits for wear and replace them if necessary.

## Disposal Instructions

- Dispose of used or damaged bits in accordance with local regulations.
- Do not dispose of bits in regular household waste. Instead, consider recycling options where available.
- Ensure that bits are stored safely until disposal to prevent injury.

## Contact Information for Further Support

For any questions regarding safety, usage, or product concerns, please reach out to the appropriate support channels as per your local regulations.

Thank you for your attention to safety. By following these guidelines, you can ensure a safe and effective experience while using the MAGNATIP SUPER SET BITS.
