BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. **Key Features:** **Hardened Steel Construction:** Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. **Hollow-Ground Design:** Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. **Versatile Compatibility:** Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. **Specifications:** **Bit Sizes:** Available in various sizes to accommodate a wide range of screw slot dimensions. **Material:** Hardened steel with a hollow-ground tip. **Customer Insights:** Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

Safety Instruction Guide for MAGNATIP SUPER SET BITS

Introduction

Thank you for choosing the MAGNATIP SUPER SET BITS from Brownells. These bits are designed to provide precision and reliability for gunsmiths and firearm enthusiasts. To ensure safe and effective use of this product, please read and follow the safety guidelines outlined in this document.

General Safety Guidelines

- Always handle tools with care to prevent injuries.
- Ensure that your working area is clean and welllit.
- Keep tools out of reach of children and unauthorized users.
- Inspect tools for any damage or wear before use. Do not use damaged tools.
- Follow all local regulations and safety standards when using tools.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hardened Steel Construction:** While the bits are designed for durability, they can still break under excessive force. Avoid using excessive torque.
- **HollowGround Design:** Ensure that the bit fits securely in the screw slot to minimize the risk of slippage or damage to the screw.
- **Compatibility:** Use only with Brownells MagnaTip handles to ensure proper fit and performance.
- **Personal Protective Equipment (PPE):** Wear safety glasses and gloves as appropriate to protect against debris and sharp edges.

Instructions for Installation and Usage

1. Selecting the Right Bit:

- Choose the appropriate size and type of bit for the screw you are working with. Refer to the specifications for available sizes.

2. Attaching the Bit:

- Insert the bit into the Brownells MagnaTip handle until it clicks into place. Ensure it is secured properly.

3. Using the Bit:

- Align the bit with the screw slot and apply gentle pressure.
- Turn the handle slowly to loosen or tighten the screw. Avoid using excessive force to prevent damaging the screw or the bit.

4. Removing the Bit:

- After use, carefully pull the bit out of the handle. Store it in a safe place.

Disposal Instructions

- Dispose of damaged or worn bits according to local waste disposal regulations.

- Do not dispose of bits in regular household waste if they can be recycled or require special handling.

Contact Information for Further Support

For any further questions or concerns regarding the MAGNATIP SUPER SET BITS, please contact your local retailer or refer to the manufacturer's website for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the MAGNATIP SUPER SET BITS. Thank you for your attention to safety and for choosing Brownells products.
