BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

Safety Instruction Guide for MAGNATIP SUPER SET BITS

Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These precision tools are designed for gunsmiths and firearm enthusiasts. To ensure safe and effective use, please read and follow this safety instruction guide carefully. It is essential to understand the safety guidelines and precautions associated with this product to prevent accidents and injuries.

General Safety Guidelines

- Ensure you are familiar with the tools and their proper use before starting any work.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling tools.
- Keep the workspace clean and organized to prevent accidents.
- Store tools in a dry place away from children and unauthorized users.
- Regularly inspect tools for wear or damage. Do not use damaged tools.
- Dispose of any broken tools properly to prevent injury.

Specific Safety Precautions for Use

- **Hardened Steel Construction:**
 - The bits are made from hardened steel. Handle with care to avoid cuts or punctures.
- **HollowGround Design:**
 - Ensure the bit is correctly seated in the screw slot before applying torque to prevent slipping.
- **Compatibility:**
 - Use only with Brownells MagnaTip handles to ensure proper fit and function.
- **Torque Application:**
 - Apply torque gradually. Excessive force can lead to tool failure or screw damage.
- **Screw Condition:**
 - Inspect screws before use. Avoid using on stripped or damaged screws to prevent further damage.
- **Environmental Conditions:**
 - Avoid using tools in wet or damp conditions to reduce the risk of slips and falls.

Instructions for Installation and Usage

1. Preparation:

- Ensure the work area is clean and welllit.
- Gather all necessary tools and safety equipment.

2. Selecting the Right Bit:

- Choose the appropriate MagnaTip Super Set Bit size that matches the screw you will be working on.
- Verify that the bit is compatible with your Brownells MagnaTip handle.

3. Using the Bit:

- Insert the chosen bit into the MagnaTip handle.
- Align the bit with the screw slot.
- Apply gentle pressure to ensure the bit is seated properly.

- Turn the handle clockwise to tighten or counterclockwise to loosen the screw.
- If resistance is felt, stop and reassess the situation. Do not force the tool.

4. PostUse Care:

- Clean the bits after use to remove any debris or residue.
- Store the bits in a protective case to prevent damage and maintain their condition.

Disposal Instructions

- Dispose of any damaged or broken bits in accordance with local regulations.
- Do not throw bits in regular household waste. Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional information regarding the Brownells MagnaTip Super Set Bits, please refer to the product packaging or visit the official Brownells website for support resources.

By following this safety instruction guide, you can ensure a safe and effective experience with the Brownells MagnaTip Super Set Bits. Thank you for your attention to safety. Happy gunsmithing!
