BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

# MAGNATIP SUPER SET BITS Safety Instructions

## Introduction

Thank you for choosing the MAGNATIP SUPER SET BITS by Brownells. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all instructions and safety precautions outlined in this guide.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the bits.
- Do not use the bits on live electrical components or circuits.
- Ensure that the screwdriver is securely fastened to the bit before use.
- Avoid using excessive force when removing screws to prevent damage to the bit or the screw.
- Do not attempt to modify or repair the bits; this can lead to injury or product failure.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate MagnaTip bit for your application (e.g., Bit Number: 3408).
- Insert the bit into the MagnaTip screwdriver until it is firmly seated.
- Ensure that the bit is properly aligned with the screw head before proceeding.

### 2. Usage:

- Position the screwdriver with the bit against the screw head.
- Turn the screwdriver in a counterclockwise direction to loosen the screw.
- If the screw does not turn, do not force it. Instead, try applying a penetrating oil to help loosen it.
- Once the screw is removed, carefully take out the bit from the screwdriver.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste; consider recycling options where available.
- Ensure that any damaged or worn bits are properly disposed of to prevent injury.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product information, please consult the manufacturer's website or contact your local distributor.

By following these safety instructions, you can ensure a safe and effective experience with the MAGNATIP SUPER SET BITS. Thank you for your attention to safety, and enjoy using your product responsibly.
