BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

Safety Instruction Guide for MAGNATIP SUPER SET BITS

Introduction

Thank you for choosing the MAGNATIP SUPER SET BITS by BROWNELLS. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to remove slotted grip screws.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Always inspect the product for any damage or wear before use. Do not use if damaged.
- Use personal protective equipment, such as safety glasses, to protect your eyes while using the bits.
- Follow all local regulations regarding tool usage and safety.

Specific Safety Precautions for Use

- Always use the MAGNATIP SUPER SET BITS with the appropriate MagnaTip screwdriver to ensure proper fit and function.
- Do not apply excessive force when using the bits, as this may lead to breakage or injury.
- Ensure that the work surface is stable and secure before using the bits to prevent slipping or accidents.
- Avoid using the bits in wet or damp conditions to prevent electrical hazards.
- Do not modify or alter the bits in any way, as this may compromise safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the MagnaTip screwdriver and the MAGNATIP SUPER SET BITS.
- Ensure that the work area is clean and welllit.

2. Installation of the Bit:

- Select the appropriate bit (3605) for your application.
- Insert the bit into the MagnaTip screwdriver securely.
- Ensure that the bit is fully seated and locked in place before use.

3. Using the Bit:

- Position the screwdriver with the bit over the slotted grip screw.
- Apply gentle pressure to engage the bit with the screw head.
- Turn the screwdriver counterclockwise to loosen the screw. If resistance is felt, do not force the screw; instead, check for any obstructions or damage.

4. After Use:

- Remove the bit from the screwdriver after use.
- Clean the bits and screwdriver to remove any debris or residue.
- Store the bits in a safe, dry place, away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations concerning electronic waste and tools.
- Do not dispose of the bits in regular household waste. Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or support, please refer to the contact information provided with the product packaging or visit the manufacturer's website. Ensure you have the product details ready for faster assistance.

By following these safety guidelines and instructions, you can ensure a safer experience while using the MAGNATIP SUPER SET BITS. Thank you for prioritizing safety!
