BROWNELLS MAGNA-TIP SUPER SET BITS The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: Hardened Steel Construction: Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. Hollow-Ground Design: Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. Versatile Compatibility: Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. Specifications: Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. Material: Hardened steel with a hollow-ground tip. Customer Insights: Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

Safety Instruction Guide for MAGNATIP SUPER SET BITS

Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These precision tools are designed for gunsmiths and firearm enthusiasts. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe handling, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the work area is clean and welllit before using the bits.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against potential injuries.
- Keep the bits out of reach of children and unauthorized users to prevent accidents.
- Inspect the bits before each use for any signs of wear or damage. Do not use damaged bits.
- Store the bits in a safe and dry location to prevent corrosion and damage.

Specific Safety Precautions for Use

- Use the MagnaTip Super Set Bits only for their intended purpose: loosening and tightening slotted screws.
- Ensure that the bit fits securely in the screw slot before applying torque to avoid slipping and damaging the screw or bit.
- Avoid excessive force when using the bits. If a screw is seized, consider using penetrating oil or a screw extractor instead of forcing the bit.
- Do not use the bits on screws that are rusted or corroded without assessing the condition first.
- Always follow the manufacturer's recommendations when using the bits with compatible handles.

Instructions for Installation and Usage

1. **Selecting the Right Bit:** Choose the appropriate bit size for the screw you will be working with. Refer to the specifications to ensure a proper fit.
2. **Attaching the Bit:**
 - Insert the bit into the Brownells MagnaTip handle until it clicks into place.
 - Ensure the bit is securely attached before use.
3. **Using the Bit:**
 - Align the bit with the screw slot.
 - Apply steady pressure while turning the handle to loosen or tighten the screw.
 - If the bit begins to slip, stop immediately and reassess the fit. Do not continue applying force.
4. **After Use:**
 - Clean the bits with a dry cloth to remove any debris or moisture.
 - Store the bits in their designated case or holder to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn bits in accordance with local regulations.
- Do not dispose of bits in regular household waste. Instead, consider recycling options available in your area.
- Ensure that bits are placed in a secure container before disposal to prevent injury to waste handlers.

Contact Information for Further Support

For any safety inquiries or support related to the Brownells MagnaTip Super Set Bits, please reach out to your local distributor or consult the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your Brownells MagnaTip Super Set Bits. Thank you for your attention to safety and for choosing our product.
