Safety Instruction Guide for TORX® BITS STAR BITS BROWNELLS T5 TORX BIT

Introduction

Thank you for choosing the TORX® BITS STAR BITS BROWNELLS T5 TORX BIT. This guide is designed to provide you with important safety information and instructions for the proper use, installation, and disposal of this product. Please read this guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that you are using the correct bit size (T5) for your application to prevent damage to screws and tools.
- Always inspect the bits for wear or damage before use. Do not use damaged bits.
- Keep the bits out of reach of children and vulnerable individuals to prevent accidents.
- Use the bits only for their intended purpose. Misuse can result in injury or damage.
- Store the bits in a dry and secure place to prevent rust and loss.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using power tools with these bits.
- Ensure that the power tool is turned off and unplugged before changing or adjusting the bits.
- Avoid using excessive force when driving screws, as this may strip the screw head or break the bit.
- Do not use the bits in wet or damp conditions, as this may lead to electric shock or tool malfunction.
- Be cautious of sharp edges and points on the bits; handle them with care to avoid cuts or punctures.

Instructions for Installation and Usage

1. Selecting the Bit:

- Choose the T5 TORX bit for use with Brownells Scope Ring Screws and other compatible applications.

2. Installing the Bit:

- Insert the bit into the chuck of your power tool or screwdriver.
- Ensure that the bit is securely locked in place before use.

3. Using the Bit:

- Align the bit with the screw head and apply gentle pressure.
- Turn the tool on and drive the screw in a clockwise direction.
- If resistance is met, stop and check the alignment and fit before proceeding.

4. Removing the Bit:

- Turn off the power tool and unplug it.
- Release the chuck to remove the bit safely.

Disposal Instructions

- Dispose of the TORX bits in accordance with local regulations regarding electronic and metal waste.

- Do not dispose of the bits in regular household waste.
- If in doubt, contact your local waste disposal authority for guidance.
