Safety Instruction Guide for ALLEN, PHILLIPS & SQUARE BIT SETS MAGNATIP PHILLIPS BIT SET

Introduction

Thank you for choosing the ALLEN, PHILLIPS & SQUARE BIT SETS MAGNATIP PHILLIPS BIT SET. This guide provides important safety instructions and guidelines to ensure the safe and effective use of our product. Please read this document carefully before using the product.

General Safety Guidelines

- Always inspect the bits before use to ensure they are in good condition. Do not use damaged bits.
- Keep the bit set out of reach of children and vulnerable individuals.
- Use the bits only for their intended purposes to avoid accidents or injuries.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using the bits.
- Ensure that your work area is clean and welllit to prevent accidents.
- Do not use the bits in wet or damp conditions to avoid electrical hazards.

Specific Safety Precautions for Use

- **Phillips Bits:** These bits are not anticam. Ensure that you apply adequate pressure while using to avoid slippage.
- **Square Bits:** The 1/8" square fits newer Remington butt plates. Confirm compatibility with your equipment before use.
- Avoid using excessive force when inserting bits into screws to prevent stripping or damaging the screw head.
- Do not modify or alter the bits in any way, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Selecting the Right Bit:

- Choose the appropriate bit size for your screw type to ensure a secure fit.
- Refer to the included MAGNATIP chart for guidance on the correct bit to use.

2. Using the Bits:

- Insert the selected bit into a compatible drill or screwdriver.
- Align the bit with the screw head and apply gentle pressure.
- Turn the drill or screwdriver slowly at first to ensure the bit engages properly with the screw.
- Increase speed gradually while maintaining steady pressure.

3. After Use:

- Remove the bit from the drill or screwdriver when finished.
- Clean the bits to remove any debris or residue.
- Store the bits in a dry place, preferably in their original packaging, to prevent damage.

Disposal Instructions

- Dispose of any damaged bits in accordance with local regulations.
- Do not dispose of bits in regular household waste. Instead, check for recycling programs that accept metal tools.
- Ensure that any packaging is disposed of responsibly, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact your local EU safety authority or visit the EU Safety Gate platform for updates on recalls and safety alerts.

Thank you for your attention to these safety instructions. We hope you enjoy using the ALLEN, PHILLIPS & SQUARE BIT SETS MAGNATIP PHILLIPS BIT SET safely and effectively.
