# MAGNATIP SQUARE BITS User Safety Instruction Guide

## Introduction

Thank you for choosing the MAGNATIP SQUARE BITS. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use personal protective equipment (PPE) such as gloves and safety glasses when handling the product.
- Follow all local laws and regulations regarding the use of tools and equipment.

## Specific Safety Precautions for Use

- Use the correct size and type of square bit for the screws you are working with to prevent stripping or damaging the screws.
- Do not apply excessive force while using the bits, as this may cause breakage or injury.
- Ensure that the work area is clean and free from distractions to maintain focus during use.
- Avoid using the bits in wet or damp conditions to prevent slipping and accidents.
- Store the bits in a dry, secure location when not in use to prevent damage and unauthorized access.

## Instructions for Installation and Usage

### 1. Selecting the Right Bit:

- Choose the appropriate square bit size for your application. Available sizes include 1/16", 3/32", 1/8", and 9/64".

### 2. Preparing the Tool:

- Ensure that your drill or driver is compatible with the square bits.
- Insert the chosen square bit into the tool's chuck securely.

### 3. Using the Bit:

- Align the bit with the square socket screw.
- Apply gentle pressure while engaging the tool to drive the screw.
- If resistance is encountered, stop and assess the situation before proceeding.

### 4. Finishing Up:

- Once the screw is securely in place, remove the bit from the tool.
- Clean the bits after use to remove any debris or residue.

## Disposal Instructions

- Dispose of any damaged or worn square bits in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.
