

# FIXED BLADE GUNSMITH'S SCREWDRIVERS"! - FIXED BLADE SCREWDRIVER #4, .15 SHANK, .040 BLADE THICKNESS

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Single Screwdrivers](#)

**BROWNELL'S FIXED BLADE GUNSMITH'S SCREWDRIVERS** The Brownells Fixed-Blade Gunsmith's Screwdrivers are meticulously designed for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each screwdriver features a custom, precision-ground, hollow-ground blade tip that ensures a perfect fit in gun screws, distributing torque evenly to prevent damage. The short blade length of 2½ inches provides maximum control and minimizes wobble during use. The long parallel shank maintains the same diameter as the blade width, allowing for repeated regrinding and access to recessed screws. Handles are custom-made to fit comfortably in the hand, offering a secure grip for both large, tight screws and delicate, small screws.

**Key Features:**

- Precision-Ground Blade Tips:** Custom, hollow-ground tips provide maximum strength and a perfect fit in screw slots, preventing damage.
- Short Blade Length:** 2½-inch blades offer enhanced control and reduce wobble during use.
- Parallel Shank Design:** Maintains blade width for easy regrinding and access to recessed screws.
- Comfortable Handles:** Custom-designed handles fit well in the hand, providing a secure grip for various screw sizes.

**Specifications:** Blade Length: 2½ inches Handle Length: 3¾ inches Handle Diameter: 1 inch Material: Hardened steel shank with custom handle

**Customer Insights:** Our customers highly value the Brownells Fixed-Blade Gunsmith's Screwdrivers for their exceptional precision and durability. The custom, precision-ground blade tips are particularly appreciated for their perfect fit in gun screws, effectively preventing damage during adjustments. The short blade length enhances control, making delicate tasks more manageable. Additionally, the comfortable handle design provides a secure grip, accommodating both large and small screws with ease. Overall, these screwdrivers are considered indispensable tools for both professional gunsmiths and firearm enthusiasts. Incorporating the Brownells Fixed-Blade Gunsmith's Screwdrivers into your toolkit ensures precise and reliable performance for all your firearm maintenance and customization needs. Their specialized design and high-quality construction make them essential tools for achieving professional results.

# Safety Instruction Guide for Brownells Fixed Blade Gunsmith's Screwdrivers

## Introduction

Thank you for choosing the Brownells Fixed Blade Gunsmith's Screwdrivers. This guide provides essential safety information to ensure the safe and effective use of your new tools. Please read this guide carefully before using the screwdrivers.

## General Safety Guidelines

- Always use the screwdrivers for their intended purpose.
- Keep the screwdrivers out of reach of children and vulnerable individuals.
- Inspect the screwdrivers before each use for any signs of damage or wear.
- Store the screwdrivers in a safe, dry place when not in use.
- Do not use the screwdrivers if they show signs of damage or if the blade is dull.
- Ensure a stable work surface when using the screwdrivers to prevent slips and accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses to protect your eyes from debris.
- Follow all applicable local regulations regarding the use and disposal of tools.

## Specific Safety Precautions for Use

- **Blade Handling:**
  - Always handle the screwdrivers by the handle, avoiding contact with the blade.
  - Do not apply excessive force when using the screwdrivers, as this may cause the blade to slip or break.
- **Working with Screws:**
  - Ensure that the screw is properly aligned before inserting the screwdriver to avoid stripping the screw head.
  - Use the correct size screwdriver for the screw to prevent damage to both the screwdriver and the screw.
- **Environment:**
  - Use the screwdrivers in a welllit area to improve visibility and accuracy.
  - Avoid using the screwdrivers in wet or damp conditions to prevent slips and electrical hazards if working near electrical components.

## Instructions for Installation and Usage

- **Using the Screwdriver:**
  1. Select the appropriate screwdriver for the screw you are working with.
  2. Align the blade tip with the screw head, ensuring a snug fit.
  3. Turn the screwdriver clockwise to tighten or counterclockwise to loosen the screw.
  4. Apply steady pressure, but do not force the screwdriver.
- **Storage:**
  - After use, clean the screwdrivers with a dry cloth to remove any debris.
  - Store each screwdriver in its individual plastic tube to protect the blade and maintain its integrity.
- **Maintenance:**
  - Regularly inspect the screwdrivers for any signs of wear or damage.
  - If the blade becomes dull, regrind it carefully while maintaining the original shape and angle.

## **Disposal Instructions**

- Dispose of the screwdrivers responsibly in accordance with local waste disposal regulations.
- If the screwdrivers are damaged beyond repair, ensure that they are disposed of in a manner that prevents injury to others, such as wrapping the blades in protective material before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Brownells Fixed Blade Gunsmith's Screwdrivers, please consult the manufacturer's website or contact their customer support.

Thank you for following these safety guidelines. Your safety is our priority, and we hope you enjoy using your Brownells Fixed Blade Gunsmith's Screwdrivers.
