[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Single Screwdrivers](#)

**BROWNELL'S FIXED BLADE GUNSMITH'S SCREWDRIVERS** The Brownells Fixed-Blade Gunsmith's Screwdrivers are meticulously designed for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each screwdriver features a custom, precision-ground, hollow-ground blade tip that ensures a perfect fit in gun screws, distributing torque evenly to prevent damage. The short blade length of 2½ inches provides maximum control and minimizes wobble during use. The long parallel shank maintains the same diameter as the blade width, allowing for repeated regrinding and access to recessed screws. Handles are custom-made to fit comfortably in the hand, offering a secure grip for both large, tight screws and delicate, small screws.

**Key Features:**

- Precision-Ground Blade Tips:** Custom, hollow-ground tips provide maximum strength and a perfect fit in screw slots, preventing damage.
- Short Blade Length:** 2½-inch blades offer enhanced control and reduce wobble during use.
- Parallel Shank Design:** Maintains blade width for easy regrinding and access to recessed screws.
- Comfortable Handles:** Custom-designed handles fit well in the hand, providing a secure grip for various screw sizes.

**Specifications:** Blade Length: 2½ inches Handle Length: 3¾ inches Handle Diameter: 1 inch Material: Hardened steel shank with custom handle

**Customer Insights:** Our customers highly value the Brownells Fixed-Blade Gunsmith's Screwdrivers for their exceptional precision and durability. The custom, precision-ground blade tips are particularly appreciated for their perfect fit in gun screws, effectively preventing damage during adjustments. The short blade length enhances control, making delicate tasks more manageable. Additionally, the comfortable handle design provides a secure grip, accommodating both large and small screws with ease. Overall, these screwdrivers are considered indispensable tools for both professional gunsmiths and firearm enthusiasts. Incorporating the Brownells Fixed-Blade Gunsmith's Screwdrivers into your toolkit ensures precise and reliable performance for all your firearm maintenance and customization needs. Their specialized design and high-quality construction make them essential tools for achieving professional results.

# Safety Instruction Guide for FIXED BLADE GUNSMITH'S SCREWDRIVERS™

## Introduction

Thank you for choosing the FIXED BLADE GUNSMITH'S SCREWDRIVERS™ by Brownells. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your screwdriver set. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the screwdriver by following all instructions. This product is designed for nonfood use and is compliant with EU safety regulations.
- **Enhanced Recalls:** Stay informed about product recalls. If a safety issue arises, you will be notified through standardized recall notices.
- **Online Shopping Safety:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when used by or around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact point.
- **Rapid Alerts:** Be aware that updates on unsafe products will be communicated quickly through the Safety Gate system.

## Specific Safety Precautions for Use

- Always inspect the screwdriver for damage before use. Do not use if the blade is chipped or bent.
- Use the screwdriver only for its intended purpose. Avoid using it on noncompatible screws.
- Keep the screwdriver out of reach of children when not in use.
- Wear safety glasses to protect your eyes from debris when using the screwdriver.
- Ensure your hands are dry and clean to maintain grip and control.
- Do not apply excessive force that could lead to slipping or breaking of the screwdriver.
- Avoid using the screwdriver in wet or damp conditions to prevent slipping.
- Store the screwdriver in a safe, dry place to maintain its integrity.

## Instructions for Installation and Usage

- **Using the Screwdriver:**
  1. Select the appropriate screwdriver size for the screw you are working with.
  2. Align the blade tip with the screw slot, ensuring a snug fit.
  3. Apply gentle pressure and turn the handle clockwise to tighten or counterclockwise to loosen the screw.
  4. Maintain a steady grip on the handle to prevent slipping.
- **Maintenance:**
  - Clean the screwdriver after use to remove any debris or residue.
  - Inspect the blade for wear and tear regularly. Replace if necessary to ensure safety and effectiveness.
  - Store the screwdriver in its individual plastic tube to protect the blade and maintain its shape.

## **Disposal Instructions**

- Dispose of the screwdriver responsibly. If the product is damaged or no longer usable, consider recycling options available in your area.
- Do not dispose of the screwdriver in regular household waste if it contains hazardous materials. Check local regulations for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the FIXED BLADE GUNSMITH'S SCREWDRIVERS™, please consult the EU-based contact point provided with your product documentation.

By following these safety instructions, you can ensure a safe and effective experience with your FIXED BLADE GUNSMITH'S SCREWDRIVERS™. Thank you for your attention to safety, and happy working!
