

FIXED BLADE GUNSMITH'S SCREWDRIVERS"! - FIXED BLADE SCREWDRIVER #11, .27 SHANK, .035 BLADE THICKNESS

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Single Screwdrivers](#)

BROWNELL'S FIXED BLADE GUNSMITH'S SCREWDRIVERS The Brownells Fixed-Blade Gunsmith's Screwdrivers are meticulously designed for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each screwdriver features a custom, precision-ground, hollow-ground blade tip that ensures a perfect fit in gun screws, distributing torque evenly to prevent damage. The short blade length of 2½ inches provides maximum control and minimizes wobble during use. The long parallel shank maintains the same diameter as the blade width, allowing for repeated regrinding and access to recessed screws. Handles are custom-made to fit comfortably in the hand, offering a secure grip for both large, tight screws and delicate, small screws.

Key Features:

- Precision-Ground Blade Tips:** Custom, hollow-ground tips provide maximum strength and a perfect fit in screw slots, preventing damage.
- Short Blade Length:** 2½-inch blades offer enhanced control and reduce wobble during use.
- Parallel Shank Design:** Maintains blade width for easy regrinding and access to recessed screws.
- Comfortable Handles:** Custom-designed handles fit well in the hand, providing a secure grip for various screw sizes.

Specifications: Blade Length: 2½ inches Handle Length: 3¾ inches Handle Diameter: 1 inch Material: Hardened steel shank with custom handle

Customer Insights: Our customers highly value the Brownells Fixed-Blade Gunsmith's Screwdrivers for their exceptional precision and durability. The custom, precision-ground blade tips are particularly appreciated for their perfect fit in gun screws, effectively preventing damage during adjustments. The short blade length enhances control, making delicate tasks more manageable. Additionally, the comfortable handle design provides a secure grip, accommodating both large and small screws with ease. Overall, these screwdrivers are considered indispensable tools for both professional gunsmiths and firearm enthusiasts. Incorporating the Brownells Fixed-Blade Gunsmith's Screwdrivers into your toolkit ensures precise and reliable performance for all your firearm maintenance and customization needs. Their specialized design and high-quality construction make them essential tools for achieving professional results.

Safety Instruction Guide for Brownells FixedBlade Gunsmith's Screwdrivers

Introduction

Thank you for choosing the Brownells FixedBlade Gunsmith's Screwdrivers. This guide provides essential safety instructions to ensure the safe and effective use of your screwdrivers. Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the screwdriver for its intended purpose.
- Keep the screwdriver out of reach of children and vulnerable individuals.
- Inspect the screwdriver for any signs of damage or wear before each use.
- Store the screwdriver in a safe and dry location when not in use.
- Do not use the screwdriver if it is damaged or if the blade tip shows signs of wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Blade Handling:** Always handle the screwdriver by the handle, avoiding contact with the blade tip to prevent cuts or injuries.
- **Torque Application:** Apply torque gradually and evenly to avoid slipping or damaging the screw.
- **Control:** Use the screwdriver with a firm grip to maintain control and prevent slipping.
- **Surface Stability:** Ensure the work surface is stable and secure before using the screwdriver.
- **Eye Protection:** Consider wearing safety goggles to protect your eyes from any debris that may occur during use.
- **Avoid Overreach:** Maintain a stable posture and avoid overreaching while using the screwdriver to prevent falls or accidents.

Instructions for Installation and Usage

1. **Select the Correct Screwdriver:** Choose the appropriate size and type of screwdriver for the task at hand.
2. **Inspect the Screwdriver:** Before use, check the blade for any visible damage or wear. Ensure the handle is secure and free from cracks.
3. **Insert the Blade:** Position the blade tip into the screw slot, ensuring it fits snugly.
4. **Apply Torque:** Turn the screwdriver clockwise to tighten or counterclockwise to loosen the screw. Apply torque gradually.
5. **Maintain Control:** Keep a firm grip on the handle and maintain a stable position to ensure control.
6. **Store Properly:** After use, clean the screwdriver if necessary and store it in a safe location, preferably in its protective tube to prevent damage.

Disposal Instructions

- Dispose of the screwdriver responsibly. If the screwdriver is damaged beyond repair, consider recycling the metal components where applicable.
- Do not dispose of the screwdriver in regular household waste if it poses a safety hazard.
- Follow local regulations for the disposal of tools and metal items.

Contact Information for Further Support

For any inquiries or concerns regarding the use of the Brownells FixedBlade Gunsmith's Screwdrivers, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safer and more effective experience with your Brownells FixedBlade Gunsmith's Screwdrivers. Thank you for your attention to safety.
