

FIXED BLADE GUNSMITH'S SCREWDRIVERS"! - BROWNELLS FIXED BLADE SCREWDRIVER #14, .30 SHANK, .045 BLADE THICKNESS

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Single Screwdrivers](#)

BROWNELL'S FIXED BLADE GUNSMITH'S SCREWDRIVERS The Brownells Fixed-Blade Gunsmith's Screwdrivers are meticulously designed for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each screwdriver features a custom, precision-ground, hollow-ground blade tip that ensures a perfect fit in gun screws, distributing torque evenly to prevent damage. The short blade length of 2½ inches provides maximum control and minimizes wobble during use. The long parallel shank maintains the same diameter as the blade width, allowing for repeated regrinding and access to recessed screws. Handles are custom-made to fit comfortably in the hand, offering a secure grip for both large, tight screws and delicate, small screws.

Key Features:

- Precision-Ground Blade Tips:** Custom, hollow-ground tips provide maximum strength and a perfect fit in screw slots, preventing damage.
- Short Blade Length:** 2½-inch blades offer enhanced control and reduce wobble during use.
- Parallel Shank Design:** Maintains blade width for easy regrinding and access to recessed screws.
- Comfortable Handles:** Custom-designed handles fit well in the hand, providing a secure grip for various screw sizes.

Specifications: Blade Length: 2½ inches Handle Length: 3¾ inches Handle Diameter: 1 inch Material: Hardened steel shank with custom handle

Customer Insights: Our customers highly value the Brownells Fixed-Blade Gunsmith's Screwdrivers for their exceptional precision and durability. The custom, precision-ground blade tips are particularly appreciated for their perfect fit in gun screws, effectively preventing damage during adjustments. The short blade length enhances control, making delicate tasks more manageable. Additionally, the comfortable handle design provides a secure grip, accommodating both large and small screws with ease. Overall, these screwdrivers are considered indispensable tools for both professional gunsmiths and firearm enthusiasts. Incorporating the Brownells Fixed-Blade Gunsmith's Screwdrivers into your toolkit ensures precise and reliable performance for all your firearm maintenance and customization needs. Their specialized design and high-quality construction make them essential tools for achieving professional results.

FIXED BLADE GUNSMITH'S SCREWDRIVERS™

BROWNELLS #14 FIXED BLADE SCREWDRIVER

Safety Instructions

Introduction

Thank you for choosing the FIXED BLADE GUNSMITH'S SCREWDRIVERS™ BROWNELLS #14 FIXED BLADE SCREWDRIVER. This guide provides essential safety instructions to ensure the safe use of your screwdriver. Please read through this document carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always use the screwdriver for its intended purpose.
- Keep the screwdriver out of reach of children and vulnerable individuals.
- Inspect the screwdriver for any damage or defects before use.
- Do not use the screwdriver if it is damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses when using the screwdriver.
- Ensure your workspace is clean and welllit to prevent accidents.
- Store the screwdriver in a safe place when not in use.

Specific Safety Precautions for Use

- Handle the screwdriver with care to avoid injury.
- Avoid using excessive force; if the screwdriver does not turn easily, check for obstructions.
- Do not use the screwdriver to pry or chisel; it is designed for turning screws only.
- Keep fingers and hands clear of the blade while in use to avoid cuts or pinching.
- If the blade slips, do not try to catch it; let it fall safely.
- Always store the screwdriver in its protective tube when not in use to prevent accidental injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have the correct size screwdriver for the screws you will be working with.
- Check that the screwdriver is clean and free from debris.

2. Using the Screwdriver:

- Hold the screwdriver firmly by the handle.
- Align the blade with the screw head.
- Apply gentle pressure and turn the handle clockwise to tighten or counterclockwise to loosen.
- If resistance is felt, stop and check the alignment of the screwdriver and screw.

3. PostUse:

- After use, clean the screwdriver to remove any dirt or grease.
- Store the screwdriver in its protective tube to keep it safe and prevent accidents.

Disposal Instructions

- Dispose of the screwdriver responsibly at a designated waste disposal facility.
- Do not throw the screwdriver in regular household waste.

- Check local regulations for the proper disposal of tools.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided with your product packaging.

Thank you for prioritizing safety while using the FIXED BLADE GUNSMITH'S SCREWDRIVERS™ BROWNELLS #14 FIXED BLADE SCREWDRIVER. Your adherence to these guidelines helps ensure a safe and effective experience.
