Safety Instruction Guide for NYLON/BRASS DRIFT PUNCH

Introduction

Thank you for choosing the NYLON/BRASS DRIFT PUNCH. This tool is designed for gunsmiths, machinists, and toolmakers. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the tool before use to check for any damage or wear.
- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves.
- Keep the work area clean and welllit to avoid accidents.
- Store the tool in a safe place out of reach of children and unauthorized users.
- Familiarize yourself with the product features and specifications before use.

Specific Safety Precautions for Use

- **Handle with Care:** The NYLON/BRASS DRIFT PUNCH is designed to withstand maximum impact. However, misuse can lead to injury or tool damage.
- **Avoid Bending:** Do not apply excessive force that could bend or break the tips. Use the correct tip for the task to prevent damage.
- **Use Correct Tips:** Ensure you are using the appropriate tip for your specific application (Nylon, Brass, or Aluminum).
- **NonMarring Use:** When using the Nylon tip, ensure it is properly seated to avoid marring surfaces.
- **Trigger Plate Pins:** When removing trigger plate pins, ensure the tool is aligned correctly to avoid slipping or injury.
- **Replaceable Tips:** Regularly check the condition of the tips and replace them if they show signs of wear or damage.

Instructions for Installation and Usage

1. **Selecting the Tip:** Choose the correct tip based on your application. The available options are:
 - 5/16" Nylon Tip with steel reinforcing pin
 - Brass Tips in various diameters (3/16", 1/4", 5/16")
 - Aluminum Tips in two diameters
2. **Attaching the Tip:**
 - Ensure the handle is securely held.
 - Insert the chosen tip into the handle until it clicks into place.
3. **Using the Tool:**
 - Position the tip against the surface where you need to apply pressure.
 - Hold the handle firmly and strike the handle with a hammer to perform the punching action.
 - Ensure your hands are clear of the striking area to avoid injury.
4. **After Use:** Clean the tool and store it in a safe location. Regularly inspect the tips for any damage.

Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling options for metal components.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging. It is important to have a local point of contact for any safety concerns or product recalls.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience when using the NYLON/BRASS DRIFT PUNCH. Always prioritize safety and proper usage to avoid accidents and injuries. Thank you for your attention to these guidelines.
