# Safety Instruction Guide for the 11° .38.45 Intermediate Chamfering Kit

## Introduction

Thank you for choosing the 11° .38.45 Intermediate Chamfering Kit. This guide provides essential safety instructions and usage guidelines to ensure your safety and the optimal performance of the product. Please read this document carefully before using the kit.

## General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the chamfering kit.
- Ensure a clean and organized workspace to prevent accidents.
- Keep the kit out of reach of children and pets.
- Do not use the kit for any purpose other than its intended use.
- Always inspect the kit before use for any signs of damage or wear.
- If you notice any defects or malfunctions, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Ensure that the cutter is securely attached to the pilot before use.
- Use the kit only with compatible calibers as specified in the product description.
- Avoid applying excessive force while using the chamfering tools to prevent injury and damage to the product.
- Do not attempt to modify or disassemble any part of the kit.
- Always follow the manufacturer's instructions for proper use and maintenance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure that you are working in a wellventilated area.

### 2. Installation:

- Select the appropriate facing cutter and pilot for your specific caliber.
- Attach the cutter to the pilot securely.
- Ensure that the assembly is tight and free from any obstructions.

### 3. Usage:

- Position the chamfering tool at the desired angle (11 degrees) against the edge of the material.
- Apply gentle pressure while rotating the tool to create a chamfer.
- Maintain control of the tool to ensure consistent results.
- After use, clean the tools thoroughly to remove any debris or residue.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the kit in regular household waste.
- Consider recycling any metal components where possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 11° .38.45 Intermediate Chamfering Kit, please reach out to your local distributor or manufacturer representative. They will be able to assist you with any questions or issues you may encounter.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the 11° .38.45 Intermediate Chamfering Kit. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important safety measures.
