# 11° .38.45 INTERMEDIATE CHAMFERING KIT Safety Instructions

## Introduction

Thank you for choosing the 11° .38.45 INTERMEDIATE CHAMFERING KIT. This product is designed to enhance your chamfering experience safely and effectively. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the kit for any damage or wear before use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure that the work area is clean, welllit, and free from distractions.
- Always secure the workpiece properly before chamfering.
- Avoid wearing loose clothing or jewelry that may get caught in the tools.
- Do not exceed the recommended RPM for the cutter.
- Always use the correct pilot for your specific caliber to ensure safety and accuracy.
- Do not attempt to modify or repair the product without consulting the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that you have the correct facing cutter and pilot for your caliber.

### 2. Installation:

- Select the appropriate cutter and pilot from the kit.
- Attach the cutter to the drill or tool according to the manufacturer's instructions.
- Secure the pilot in place, ensuring it is tightly fitted.

### 3. Usage:

- Position the workpiece securely on a stable surface.
- Align the cutter with the edge of the workpiece.
- Start the drill or tool at a low speed and gradually increase as needed.
- Maintain a steady hand and apply consistent pressure during operation.
- After completion, turn off the tool and remove the workpiece.

### 4. Maintenance:

- Clean the cutter and pilot after each use to prevent rust and damage.
- Store the kit in a dry, cool place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste.
- If the product is no longer usable, consider recycling parts where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the 11° .38.45 INTERMEDIATE CHAMFERING KIT, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and efficient chamfering experience. Thank you for your attention to safety and compliance.
