# Safety Instruction Guide for the 11° .38.45 Intermediate Chamfering Kit

## Introduction

Thank you for choosing the 11° .38.45 Intermediate Chamfering Kit. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before using the kit.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the chamfering kit.
- Keep the workspace clean and organized to prevent accidents.
- Store the kit in a safe place, out of reach of children.
- Regularly inspect the tools for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:** The chamfering kit includes sharp cutting tools that can cause cuts or injuries if not handled properly.
- **Avoiding Hazards:**
  - Always handle the cutters and pilots with care.
  - Do not use excessive force when operating the tools.
  - Ensure that the workpiece is securely clamped before starting work.
  - Do not wear loose clothing or jewelry that could get caught in the tools.
- **Age Warning:** This product is not intended for use by individuals under the age of 18. Ensure that only qualified adults operate the kit.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure that you have a clean and welllit workspace.

### 2. Installation:

- Select the appropriate cutter and pilot for your specific needs.
- Attach the cutter securely to the tool holder, ensuring it is tightened properly.
- Insert the pilot into the designated area, following the manufacturer's guidelines.

### 3. Usage:

- Position the workpiece securely in a vise or clamp.
- Align the cutter with the edge of the workpiece.
- Start the tool and gently guide it along the edge, applying even pressure.
- Monitor the cutting process and adjust as necessary to maintain control.
- Once finished, turn off the tool and clean the work area.

### 4. PostUsage:

- Inspect the cutters and pilots for any damage.
- Clean the tools and store them in a safe location.

## **Disposal Instructions**

- Dispose of any damaged or worn tools in accordance with local regulations.
- Recycle packaging materials where possible. Follow local guidelines for waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 11° .38.45 Intermediate Chamfering Kit, please reach out to your local distributor or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
