# Safety Instruction Guide for BRASS LAPS

## BROWNELLS 18 BRASS LAP FOR .38 CALIBER

### Introduction

Thank you for choosing the BRASS LAPS BROWNELLS 18 BRASS LAP FOR .38 CALIBER. This product is designed to provide the final touch of perfection to your barrel tools. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and understand the instructions before using the brass laps.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, to prevent injury while using the brass laps.
- Avoid inhaling dust generated during use. Work in a wellventilated area or use a dust mask.
- Do not apply excessive pressure while using the brass laps; let the abrasive work effectively.
- Ensure that the brass laps are securely attached to the tool before use to prevent accidents.
- Store the brass laps in a dry place to avoid corrosion and damage.

### Instructions for Installation and Usage

#### 1. Installation:

- Select the appropriate brass lap (5°, 11°, or 18°) based on your needs.
- Ensure that the tool you are using is compatible with the brass laps.
- Securely attach the brass lap to the tool according to the manufacturer's instructions.

#### 2. Usage:

- Before starting, ensure that the work area is clean and free of obstructions.
- Hold the tool firmly and position it at the desired angle.
- Apply the brass lap gently against the surface to be polished, allowing the fine abrasive to penetrate and polish the chamfer cuts.
- Monitor the process to avoid overpolishing and damaging the surface.
- After use, clean the brass lap and tool to remove any debris or residue.

### Disposal Instructions

- Dispose of any worn or damaged brass laps in accordance with local regulations regarding hazardous waste.
- Do not dispose of the product in regular household waste if it contains materials that may be harmful to the environment.
- Check with local waste management authorities for appropriate disposal methods.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the BRASS LAPS BROWNELLS 18 BRASS LAP FOR .38 CALIBER, please refer to the product packaging or user manual for contact information.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your BRASS LAPS BROWNELLS 18 BRASS LAP FOR .38 CALIBER.
