# Safety Instruction Guide for BRASS LAPS 18 BRASS LAP FOR .45 CALIBER

## Introduction

Thank you for choosing the BRASS LAPS 18 BRASS LAP FOR .45 CALIBER. This product is designed to provide the final touch of perfection in your barrel tool applications. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of tools and equipment.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using this product.
- Ensure the working area is clean and free from obstructions to prevent accidents.
- Do not apply excessive force when using the brass laps to avoid damage to the tool or injury.
- Use the brass laps only for their intended purpose.
- Be aware of your surroundings and ensure that others are at a safe distance while using the product.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that the brass lap is compatible with your barrel tool.
2. Securely attach the brass lap to the barrel tool following the manufacturer's instructions.
3. Doublecheck that the lap is firmly in place before proceeding.

### • Usage:

1. Select the appropriate degree of brass lap (5°, 11°, or 18°) based on your polishing needs.
2. Apply a very fine abrasive to the brass lap.
3. Gently work the brass lap into the chamfer cuts, applying even pressure.
4. Periodically check the progress to avoid overpolishing.
5. After use, clean the brass lap to maintain its effectiveness.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste unless permitted by local guidelines.
- Consider recycling options for any metal components if available.

## Contact Information for Further Support

For any inquiries or concerns regarding safety or product usage, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy using your BRASS LAPS 18 BRASS LAP FOR .45 CALIBER safely and effectively.
