

# BRASS LAPS - 32 CALIBER CHAMFERING KIT 11° BRASS LAP

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Barrel Tools](#)

For those who want to put on the final touch of perfection. 5°, 11° and 18° brass laps are used with very fine abrasive, which penetrates the brass and works as a final polish to the chamfer cuts.

## BRASS LAP Safety Instruction Guide

### Introduction

Thank you for choosing the BRASS LAPS 32 CALIBER CHAMFERING KIT. This guide provides essential safety instructions and usage information to ensure your safety and the effective use of this product. Please read this guide carefully before using the product.

### General Safety Guidelines

- Always ensure that you are using the product in a safe environment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all instructions provided in this guide to avoid potential hazards.
- Be aware of your surroundings and ensure that no one is in close proximity while using the product.
- In case of an accident or malfunction, report it to the appropriate authorities.

### Specific Safety Precautions for Use

- Use the brass laps only for their intended purpose: chamfering and polishing brass.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during use.
- Ensure that the work area is wellventilated to avoid inhalation of dust.
- Avoid using excessive force when applying the brass laps; let the abrasive do the work.
- Do not use the brass laps on materials other than brass, as this may cause damage to the product and pose safety risks.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and seek medical attention if necessary.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the work area is clean and free from any obstructions.

#### 2. Installation:

- Select the appropriate brass lap (5°, 11°, or 18°) based on your chamfering needs.
- Securely attach the brass lap to the appropriate tool or device according to the manufacturer's instructions.
- Doublecheck that the brass lap is firmly in place before proceeding.

#### 3. Usage:

- Position the brass lap against the brass workpiece at the desired angle.
- Apply gentle pressure and move the lap in a smooth, controlled manner.
- Regularly check the progress to ensure even polishing and avoid overworking any area.
- After completing the chamfering, clean the workpiece to remove any residual abrasive material.

#### 4. PostUsage:

- Disconnect the brass lap from the tool when finished.

- Clean the brass lap according to the manufacturer's guidelines to prolong its lifespan.
- Store the brass laps in a dry and safe location, away from children and pets.

## Disposal Instructions

- Dispose of any worn or damaged brass laps in accordance with local regulations for hazardous materials.
- Do not throw the product in regular household waste. Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For questions or concerns regarding the BRASS LAPS 32 CALIBER CHAMFERING KIT, please contact the manufacturer or your point of purchase for assistance. Always ensure that you have the product details available for reference.

Thank you for prioritizing safety while using the BRASS LAPS 32 CALIBER CHAMFERING KIT. Your attention to these guidelines helps ensure a safe and effective experience.
