# Safety Instruction Guide for .22 & .32 Chamfering Kit Parts

## Introduction

Thank you for purchasing the .22 & .32 Chamfering Kit Parts. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this guide carefully before using the kit to avoid any hazards.

## General Safety Guidelines

- Ensure that all safety precautions are followed during the use of the chamfering kit.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the kit.
- Keep the kit out of reach of children and unauthorized users.
- Regularly inspect the kit for any signs of wear or damage before use.
- If you notice any defects or issues, do not use the kit and contact a professional for assessment.

## Specific Safety Precautions for Use

- Use the chamfering kit only for its intended purpose, which is to chamfer the edges of .22 and .32 caliber cases.
- Avoid using excessive force when operating the kit to prevent injury or damage to the product.
- Always ensure that the workpiece is securely held in place before using the chamfering tool.
- Do not operate the chamfering kit while under the influence of drugs or alcohol.
- Follow all manufacturer guidelines regarding the use and maintenance of the kit.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate chamfering cutter for your specific caliber (.22 or .32).
- Securely attach the cutter to the chamfering tool according to the manufacturer's instructions.
- Ensure that all components are properly tightened and secure before use.

### 2. Usage:

- Place the case to be chamfered into the holder of the chamfering tool.
- Align the cutter with the edge of the case to ensure a proper chamfer.
- Gently turn the handle to begin the chamfering process, applying even pressure.
- After chamfering, inspect the case to ensure the desired edge finish has been achieved.
- Clean the tool after each use to maintain its performance and longevity.

## Disposal Instructions

- Dispose of any damaged or worn parts of the chamfering kit in accordance with local regulations.
- Do not dispose of the kit in regular household waste. Instead, check for local recycling programs or hazardous waste disposal sites.

## Contact Information for Further Support

For any safety inquiries or support, please reach out to the designated EU contact point provided with your

product packaging.

## Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and effective experience with your .22 & .32 Chamfering Kit Parts. Stay informed about any product recalls or safety updates by checking the EU's Safety Gate platform. Thank you for choosing our product.
