# RIFLE REAR SIGHT ELEVATOR SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the RIFLE REAR SIGHT ELEVATOR. This product is designed to enhance your shooting experience by providing adjustable elevation for your rifle sights. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle your rifle and its components with care to prevent accidents.
- Ensure that the RIFLE REAR SIGHT ELEVATOR is compatible with your specific rifle model before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sight elevator for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended height adjustments of the elevator, which ranges from .126" to .211".
- Ensure that the sight is securely fastened to avoid any dislodging during use.
- Avoid using the product in extreme weather conditions that may affect its performance.
- If you experience any issues with the product, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a screwdriver and any additional equipment required for your specific rifle model.

### 2. Installation Steps

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing rear sight from your rifle, if applicable.
- Align the RIFLE REAR SIGHT ELEVATOR with the mounting area on your rifle.
- Secure the elevator in place using the appropriate screws or fasteners, ensuring it is tightly fitted.
- Adjust the height of the elevator according to your shooting requirements.

### 3. Usage Steps

- Once installed, make sure to test the adjustment by aiming at a target.
- Make any necessary height adjustments based on your shooting preferences.
- Regularly check the tightness of the installation to ensure safety during use.

## Disposal Instructions

- Dispose of the RIFLE REAR SIGHT ELEVATOR responsibly by following local regulations for electronic and nonfood product disposal.
- Do not dispose of the product in household waste. Check for recycling programs in your area.

## **Contact Information for Further Support**

For any inquiries or support related to the RIFLE REAR SIGHT ELEVATOR, please reach out to the manufacturer or authorized retailers. Ensure that you have your product details ready for assistance.

By following these guidelines, you can ensure safe usage of the RIFLE REAR SIGHT ELEVATOR and enhance your shooting experience. Thank you for your attention to safety!
