Safety Instruction Guide for RIFLE REAR SIGHT ELEVATORS

Introduction

Thank you for choosing the RIFLE REAR SIGHT ELEVATORS. This product is designed to enhance your shooting experience by providing reliable and adjustable sight elevation. To ensure safe and effective use, please read this guide carefully and adhere to the safety instructions outlined herein.

General Safety Guidelines

- Always handle firearms and related accessories with care and in accordance with local laws and regulations.
- Ensure that the product is suitable for your specific firearm model before installation.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Avoid using the elevators in extreme weather conditions, such as heavy rain or snow, to prevent potential malfunction.
- Do not modify the elevators in any way, as alterations can compromise safety and performance.
- Ensure that all components are securely attached before use to prevent accidents.
- Always wear appropriate eye protection when using firearms equipped with these sight elevators.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing rear sight if applicable, following the manufacturer's instructions.
- Select the appropriate elevator from the pack based on your sighting needs.
- Align the elevator with the sight base and secure it in place, following the manufacturer's guidelines for torque specifications.
- Reattach any components removed during the installation process.

2. Usage Instructions:

- Once installed, adjust the sight elevation as needed for your shooting conditions.
- Regularly check the tightness of the elevators during use to ensure they remain secure.
- Familiarize yourself with the adjustments and settings to optimize your shooting experience.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous waste.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents any harm to the environment or public safety.
- Consider recycling the product if possible, following local recycling guidelines.

Contact Information for Further Support

For questions or concerns regarding the RIFLE REAR SIGHT ELEVATORS, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your RIFLE REAR SIGHT ELEVATORS. Thank you for your attention to safety and responsible firearm use.
