## Take The Blow(\$) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks. Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes: The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications. Specifications: Handle Material: Cold rolled steel (C.R.S.) Punch Material: Tool steel Hardness: Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 Available Punch Diameters: 0.039", 0.060", 0.091" Available Punch Lengths: 2 inches, 2.5

inches Customer Insights: Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy. Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

# Safety Instruction Guide for the Brownells Gunsmith Replaceable Pin Punch Set

## Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This versatile tool is designed to assist you in the assembly and maintenance of firearms. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the workspace is clean, welllit, and free from distractions while using the pin punch set.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against potential injury.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the pin punch set for any signs of wear or damage. Do not use damaged tools.
- When not in use, store the pin punch set in a safe and dry location.

## Specific Safety Precautions for Use

- Always ensure that the punch tip is securely fastened in the handle before use.
- Use the punch set only for its intended purpose; do not use it for tasks outside of firearm maintenance.
- Avoid excessive force when using the punch to prevent injury or damage to the tool and workpiece.
- Do not attempt to modify or alter the punch tips; use only the recommended replacement tips.
- Be cautious of sharp edges on the punch tips, and handle them with care to avoid cuts or punctures.

## Instructions for Installation and Usage

### 1. Installation of Punch Tips:

- Select the appropriate punch tip based on the pin size you are working with (0.039", 0.060", 0.091").
- Align the punch tip with the handle's knurled chuck.
- Securely tighten the knurled chuck to hold the punch tip in place.

### 2. Using the Pin Punch:

- Position the punch tip against the pin you wish to remove or install.
- Apply a steady and controlled force to drive the punch tip.
- Always ensure that your hands are clear of the punch path to prevent injury.

### 3. Replacing Punch Tips:

- Loosen the knurled chuck to remove the used punch tip.
- Select a new punch tip and follow the installation instructions above.

### 4. PostUse Care:

- Clean the punch tips and handle after use to prevent rust and corrosion.
- Store the punch set in its designated case or storage area to protect it from damage.

## Disposal Instructions

- Dispose of any damaged or wornout punch tips in accordance with local regulations.
- The handle is made of cold rolled steel (C.R.S.) and can be recycled where facilities exist.
- Do not dispose of the product in household waste; check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, product usage, or support, please reach out to your local distributor or refer to the manufacturer's website for additional resources.

Thank you for prioritizing safety while using the Brownells Gunsmith Replaceable Pin Punch Set. By following these guidelines, you can ensure a safer and more effective experience in your gunsmithing tasks.
