Take The Blow(\$) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks. Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes: The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications. Specifications: Handle Material: Cold rolled steel (C.R.S.) Punch Material: Tool steel Hardness: Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 Available Punch Diameters: 0.039", 0.060", 0.091" Available Punch Lengths: 2 inches, 2.5 inches Customer Insights: Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy. Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

Safety Instruction Guide for the Gunsmith Replaceable Pin Punch Set

Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your pin punch set. Please read this guide carefully to understand the safety precautions, proper usage, and disposal instructions associated with this product.

General Safety Guidelines

- Always use the Gunsmith Replaceable Pin Punch Set in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free from any hazards before using the pin punch set.
- Keep the pin punch set out of reach of children and unauthorized users.
- Inspect the tool regularly for any signs of damage or wear. Do not use damaged tools.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tool.
- Be aware of your surroundings and ensure that no one is in the immediate vicinity when using the pin punch set.
- If you experience any discomfort or unusual sensations while using the tool, stop immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure that the punch tip is securely fastened in the handle before use to prevent accidents.
- Avoid using excessive force when driving pins to prevent tool damage and personal injury.
- Use the correct size punch tip for the pin you are working with to ensure effective and safe operation.
- Do not attempt to modify or alter the punch tips or handle.
- Always store the punch set in a safe and dry location when not in use.
- Follow proper techniques for pin removal and installation to avoid damaging the firearm or the tool.

Instructions for Installation and Usage

1. Selecting the Punch Tip:

- Choose the appropriate punch tip size (0.039", 0.060", or 0.091") based on the pin you are working with.
- Ensure that the selected punch tip is compatible with the length you require (2 inches or 2.5 inches).

2. Attaching the Punch Tip:

- Remove the knurled chuck from the handle.
- Insert the chosen punch tip into the handle.
- Reattach the knurled chuck, ensuring the punch tip is securely held in place.

3. Using the Pin Punch:

- Position the punch tip against the pin you wish to remove or install.
- Gently tap the handle with a mallet or hammer to drive the pin.
- Use controlled force to avoid damaging the tool or the firearm.

4. After Use:

- Clean the punch tips and handle after use to remove any debris or residue.
- Store the punch set in its designated case or storage area.

Disposal Instructions

- Dispose of the Gunsmith Replaceable Pin Punch Set in accordance with local regulations.
- Do not dispose of the tool in regular household waste. Instead, consider recycling options for metal and plastic components.
- Ensure that the tool is rendered unusable before disposal to prevent accidents.

Contact Information for Further Support

For any questions or concerns regarding the Gunsmith Replaceable Pin Punch Set, please refer to the manufacturer's contact information provided with your product. You can also check for updates and safety information on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience while using the Gunsmith Replaceable Pin Punch Set. Thank you for your attention to safety!
