Take The Blow(\$) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks. Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes: The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications. Specifications: Handle Material: Cold rolled steel (C.R.S.) Punch Material: Tool steel Hardness: Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 Available Punch Diameters: 0.039", 0.060", 0.091" Available Punch Lengths: 2 inches, 2.5 inches Customer Insights: Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy. Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

Safety Instruction Guide for the Gunsmith Replaceable Pin Punch Set

Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This tool is designed to assist in the assembly and maintenance of firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the pin punch set in accordance with the manufacturer's instructions.
- Keep the tools out of reach of children and vulnerable individuals.
- Inspect the pin punch set for any damage before use. Do not use damaged tools.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the tool.
- Ensure your work area is clean and well-lit to prevent accidents.
- Be aware of your surroundings and avoid distractions while using the tool.
- Store the pin punch set in a safe place when not in use to prevent unauthorized access.

Specific Safety Precautions for Use

- **Handling the Tool:**
 - Always grip the handle firmly to maintain control.
 - Do not apply excessive force when using the punch tips to avoid breakage.
- **Using Punch Tips:**
 - Ensure that the punch tip is securely fastened in the handle before use.
 - Use the correct size punch tip for the pin you are working with to prevent damage to the tool or the firearm.
 - Replace worn or damaged punch tips immediately.
- **Work Environment:**
 - Use the tool on a stable surface to prevent slips and falls.
 - Avoid using the tool in wet or damp conditions.
- **Disposal:**
 - Follow local regulations for the disposal of metal tools and components.

Instructions for Installation and Usage

1. Installation of Punch Tips:

- Select the appropriate punch tip based on the pin size required for your task.
- Insert the punch tip into the knurled chuck of the handle.
- Turn the chuck clockwise to secure the punch tip in place.

2. Using the Pin Punch:

- Position the punch tip against the pin you wish to remove or install.
- Hold the handle firmly and strike the opposite end gently with a hammer or mallet.
- Apply controlled force to ensure accurate placement and prevent damage.
- After use, remove the punch tip by turning the chuck counterclockwise.

3. Cleaning and Maintenance:

- Clean the punch tips and handle after each use to remove debris and prevent rust.
- Store the punch set in a dry environment to maintain its condition.

Disposal Instructions

- Dispose of any damaged or worn punch tips according to local regulations.
- For the handle and other metal components, check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions regarding the use of the Brownells Gunsmith Replaceable Pin Punch Set or to report unsafe conditions, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure a safe and effective experience with your Gunsmith Replaceable Pin Punch Set. Thank you for your attention to safety.
