## Take The Blow(\$) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks. Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes: The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications. Specifications: Handle Material: Cold rolled steel (C.R.S.) Punch Material: Tool steel Hardness: Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 Available Punch Diameters: 0.039", 0.060", 0.091" Available Punch Lengths: 2 inches, 2.5 inches Customer Insights: Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy. Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

# **GUNSMITH REPLACEABLE PIN PUNCH SET SAFETY INSTRUCTIONS**

## **Introduction**

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your pin punch set. Please read this manual carefully before using the product.

## **General Safety Guidelines**

- Ensure that all tools are kept out of reach of children and vulnerable individuals.
- Always inspect tools for damage before use. Do not use damaged tools.
- Use the pin punch set only for its intended purpose; misuse can lead to accidents or injuries.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the pin punch set.
- Store the pin punch set in a dry and secure location to prevent damage and unauthorized access.
- Be aware of your surroundings and ensure that the work area is clean and free from hazards.

## **Specific Safety Precautions for Use**

- Always secure the workpiece before using the pin punch to prevent slipping or movement.
- Use the correct size punch tip for the pin you are working with to avoid damaging the punch or the pin.
- Do not apply excessive force when using the punch; if resistance is encountered, reassess the situation before proceeding.
- Keep your hands and other body parts clear of the striking area to avoid injury.
- If the punch tip becomes stuck, do not force it out. Instead, seek assistance or consult a professional.
- Ensure that the punch tips are securely attached to the handle before use.

## **Instructions for Installation and Usage**

### **1. Selecting the Punch Tip:**

- Choose the appropriate punch tip size (0.039", 0.060", or 0.091") based on the pin you will be working with.
- Ensure that the punch tip is in good condition and free of damage.

### **2. Attaching the Punch Tip:**

- Remove the knurled chuck from the handle.
- Insert the chosen punch tip into the chuck.
- Securely tighten the chuck to hold the punch tip in place.

### **3. Using the Pin Punch:**

- Position the punch tip over the pin to be removed or installed.
- Hold the handle firmly and strike the end of the handle with a hammer or mallet to drive the punch tip.
- Ensure that the punch is aligned correctly to avoid damaging the workpiece.

### **4. After Use:**

- Clean the punch tips and handle after use to remove debris and maintain tool longevity.

- Store the punch set in its designated location to prevent loss or damage.

## **Disposal Instructions**

- Dispose of damaged or wornout punch tips and handles in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs for metal tools.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the Brownells Gunsmith Replaceable Pin Punch Set, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your Brownells Gunsmith Replaceable Pin Punch Set responsibly!
