## Take The Blow(\$ ) Out Of Replacing Pin Punches

**GUNSMITH REPLACEABLE PIN PUNCH SET** The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

**Description and Features:** **High-Strength Handle:** Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. **Replaceable Punch Tips:** The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks.

**Secure Grip:** A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. **Available Sizes:** The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications.

**Specifications:** **Handle Material:** Cold rolled steel (C.R.S.) **Punch Material:** Tool steel **Hardness:** Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 **Available Punch Diameters:** 0.039", 0.060", 0.091" **Available Punch Lengths:** 2 inches, 2.5 inches

**Customer Insights:** Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy. Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

# Safety Instruction Guide for the Gunsmith Replaceable Pin Punch Set

## Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This guide provides essential safety information to ensure safe usage and maintenance of the product. Please read and follow these instructions carefully to maximize safety and efficiency during your gunsmithing tasks.

## General Safety Guidelines

- Always use the pin punch set as intended, following the manufacturer's instructions.
- Keep the tools out of reach of children and vulnerable individuals.
- Regularly inspect the punch tips and handle for any signs of wear or damage before use.
- Ensure that the work area is clean, welllit, and free from distractions while using the tools.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against potential hazards.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The punch tips are sharp and can cause injury if mishandled.
- The handle may become slippery if oil or other substances are present.
- Improper use may lead to damage of the firearm or the tool itself.

- **Avoiding Hazards:**

- Always ensure the punch tip is securely fastened in the handle before use.
- Do not apply excessive force when using the punch set, as this may cause breakage or injury.
- Use the correct size punch tip for the pin you are working with to prevent damage.
- Do not use the punch set on materials other than those specified by the manufacturer.

## Instructions for Installation and Usage

- **Installation of Punch Tips:**

1. Select the appropriate punch tip based on the size of the pin.
2. Insert the punch tip into the knurled chuck of the handle.
3. Tighten the chuck securely to ensure the punch tip does not come loose during use.

- **Using the Pin Punch Set:**

1. Position the punch tip directly over the pin to be removed or installed.
2. Apply a controlled, steady force to drive the punch tip, ensuring it is perpendicular to the surface.
3. After use, carefully remove the punch tip and clean it if necessary.

- **Maintenance:**

- Regularly clean the punch tips and handle to prevent rust and ensure longevity.
- Store the punch set in a cool, dry place when not in use.
- Replace worn or damaged punch tips immediately to maintain safety and performance.

## **Disposal Instructions**

- Dispose of any damaged or worn punch tips in accordance with local regulations for metal disposal.
- Do not dispose of the product in general waste; check for recycling options in your area.
- Ensure that all components are disposed of safely to prevent injury to others.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please consult the manufacturer's customer support resources. It is important to have access to assistance for any questions or concerns regarding the use of this product.

By adhering to these safety instructions, you can ensure a safe and effective experience with the Brownells Gunsmith Replaceable Pin Punch Set. Thank you for your attention to safety, and happy gunsmithing!
